

Guangzhou Jinghonda Cosmetic CO.,Ltd

Jinghongda Enterprise profile

China Guangzhou Jinghongda Cosmetic Co., Ltd was founded in 2003, which is a modern international enterprise integrating R&D and production service, specializes in manufacturing hair perm and dyeing products and other hair care products.

In response to the national factory's industrial develop area policy, we invested 200 million yuan to purchase and build a modern factory of nearly 40,000 square meters in Huadu Xinhua Industrial Park. It has an all-weather automatic networked fire safety equipment system and an environmental protection station capable of handling 150 tons of sewage per day , cold water, hot water, 2G reverse osmosis pure water, steam, natural gas, high and low voltage electricity etc. America York Central Air Conditioning provides heating and cooling for the entire building production workshop to ensure the comfort of the working environment for the employees. 22 sets of German imported intelligent automatic emulsification equipment, 26 computerized professional hot, dyeing and filling production lines, and own a quality inspection department with cutting-edge R&D equipment, strictly in accordance with the internal drug control 105 internal control trace ability regulations, quality and efficient production of each a qualified product.

The company's hair care products like cold perm and hot perm ,hair straightening cream, which greatest feature is multiple perm without drying, long-lasting elasticity and fast.

Hair color of single pack and double pack dye cream as well as clear water black oil for hair dyeing, fast coloring, pure dyeing, strong persistence and natural health ; have a dominant position in similar products and have long-term market competitiveness. So received praise a lot from our domestic and foreign customers.

Credibility is paramount, Clients are foremost. We always adhered to high-quality, cost-effective products, and win-win with customers. And hope that always develop and progress together with our new and old customers to walk in the forefront of the times!
