

HUNGTONG GROUP

BAITONG PACKAGING PRINTING TECHNOLOGY CO., LTD

SINCE 1992

HUNGTUNG GROUP Introduction

- Hung Tung was founded in 1992. At the beginning stage of the company, we regarded computer embroidery as our main business. Through two decades' effort of our staff, in 2011, we set up Hui Tong printing company and developed into an integrated enterprise which consists of packaging printing, logo printing as a whole. Our business covers offset printing, logo printing, woven label making, silkscreen making, and computer embroidery etc. In 2019, we set up the company 'Bai Tong Packaging Printing Technology Co.,Ltd 'for oversea trade business.
- We are always keeping the idea of based on customers and quality first, emphasizing on the infusion of quality consciousness to the staff and serious quality requirement of product. The printing products of our company has obtained the approval of international UL and CSA, passed ISO9001 in 2001 and ISO14001 in 2004 successfully. In 2011, we have got certified by ICTI (International Council of Toy Industries) and FSC (Forest Stewardship Council), and the process flow based on G7 mode.
- At present, our company is equipped with world advanced multicolor printing press
- Introduced from Germany, high - tech die cutting machines imported from South Korea and Japan, and a full set of post - print processing devices of excellent performance, such as PP coating machine, laminating machine, UV calendering machine, die cutting machine, visco-box machine, folding machine, stitching machine and embroidery machine etc.
- Baitong packaging is committed to provide customers around the world with the best quality products. Some of the well-known customers are: The world's biggest toy manufacturer Mattel, Luxury brand LVMH, Cosmetics brand L'Oreal & Urban Decay, Walmart, Samsung Group and LG Electronics, etc.
