Shenzhen Colorl Cosmetic Products Co.,Ltd was established in 2010, integrating development and sales together. Our main products include **makeup brush, cosmetic brush, beauty sponge blender, makeup tools**, and other related products. We supply brushes to our clients in the oversea market. With **120 employees** in our factory, through the efforts of our staff, we have become a well known and reliable makeup brush manufacturer. With **skilled workmanships**, only utilizing environmentally **friendly materials**, implementing a **full stage quality control** over the manufacturing, we have continuously tried our best to guarantee excellent product quality. With the professional **designer team**, we monthly launch out 20 new models of makeup brushes closely following the trend of fashion. We are able to provide a great variety of models for your customization, and also offer **OEM and ODM service**. Our sales team will closely track every single progress of every order, follow up any of our customer's feedback and suggestion after delivery, and keep in touch with customers and help solve any issues. COLORL corporation has been devoting itself to bring satisfaction to its clients. We **hope to cooperate with you** for mutual benefits and create our bright future together.
