卡琳娜 KARINA

ABOUT

Karina was created to provide a single source supplier for high quality makeup tools. Controlling the production and supply of quality bristles (natural and synthetic) in house, Karina has been manufacturing makeup brushes for over 8 years. With a highly trained team of experienced merchandisers, in house designers and a robust process.

Karina works directly with global retail customers thus enabling them to benefit transparent and open supply chain. Complete control over the production process. Access to innovation and creativity at source. Substantial savings.

Located in the Shenzhen area, Southen China, with access to the major port of Yantian, Karina has over years experience in both the supply of high quality brush bristles and the production of on trend makeup brushes, thus becoming one of the most professional makeup brush manufacturers in south of China.

All our workers have years of experience in the Makeup Tools Industry. From design to supply of high quality natural or synthetic hair, to assembly gift packing.

we offer our customers a one stop service.

Around 260 skilled workers.

Facility covering 10000 Square meter.

Monthly capacity 3 million pcs.
