Website: www.bameierlash.com

We Focus On

Customized All Kinds Of Lashes & Lash Packages

About Us

Vision

Nowadays, False eyelash market competition is intensifying, and the quality of eyelash products on the market is various. As one of the largest manufacturers of false eyelashes in China, Liruijie is committed to serving our customers and providing the best value and cost-effective eyelash products.

Factory

Dep 1: Closed R&D Department. Stay away from the downtown area, focus on product development and plate making, design, ensure the uniqueness of the product market, and lead the trend of new products.

Dep 2: Production and processing department. Located in the urban area where labor is concentrated, it has more than 3 production and processing workshops. Covers the production process, packaging, quality inspection and other eyelash production processes.

Dep 3: Shipping Logistics Center. It is located in the transportation hub area covered by Qingdao Airport and Qingdao Port to ensure the timeliness of cargo transportation.

Products

25- year-old experience in eyelash production and processing, Liruijie offers a full range of eyelash products including all kinds of **Strip eyelashes, eyelash extensions, individual lashes, magnetic eyelashes, LED eyelashes, etc.**, as well as peripheral aids such as **tweezers, eyelash glue, and eyelash curlers.**

Products related to makeup. With the high quality and cost performance of the products, it has won unanimous praise from domestic and foreign customers.

Cooperation

With the continuous recognition of customers, Liruijie has already dominated the Chinese market and has established stable and long-term cooperation with international famous brands. Under the premise of quality control, the daily supply can reach more than 40,000 boxes of eyelashes.

REAL MINK OEM LASHES HAND MADE

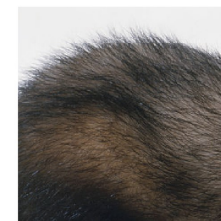

VARIOUS STYLES

CRUELTY FREE

SERIES : D\6D\A\B

■ MATERIAL

Fur chose from Siberian young minks(1.5-2 years old) this fur is more glossy and vital.
The fur is collected when minks naturally fall their hair every year - it' s CRUELTY FREE.
For D series we only use the fur from minks' back and tail-THE BEST QUALITY FUR.

BAND ■

Both black and clear bands are supplied by D series.

Band material is from SK.It' s very thin ,soft,strong and wearing comfortable.

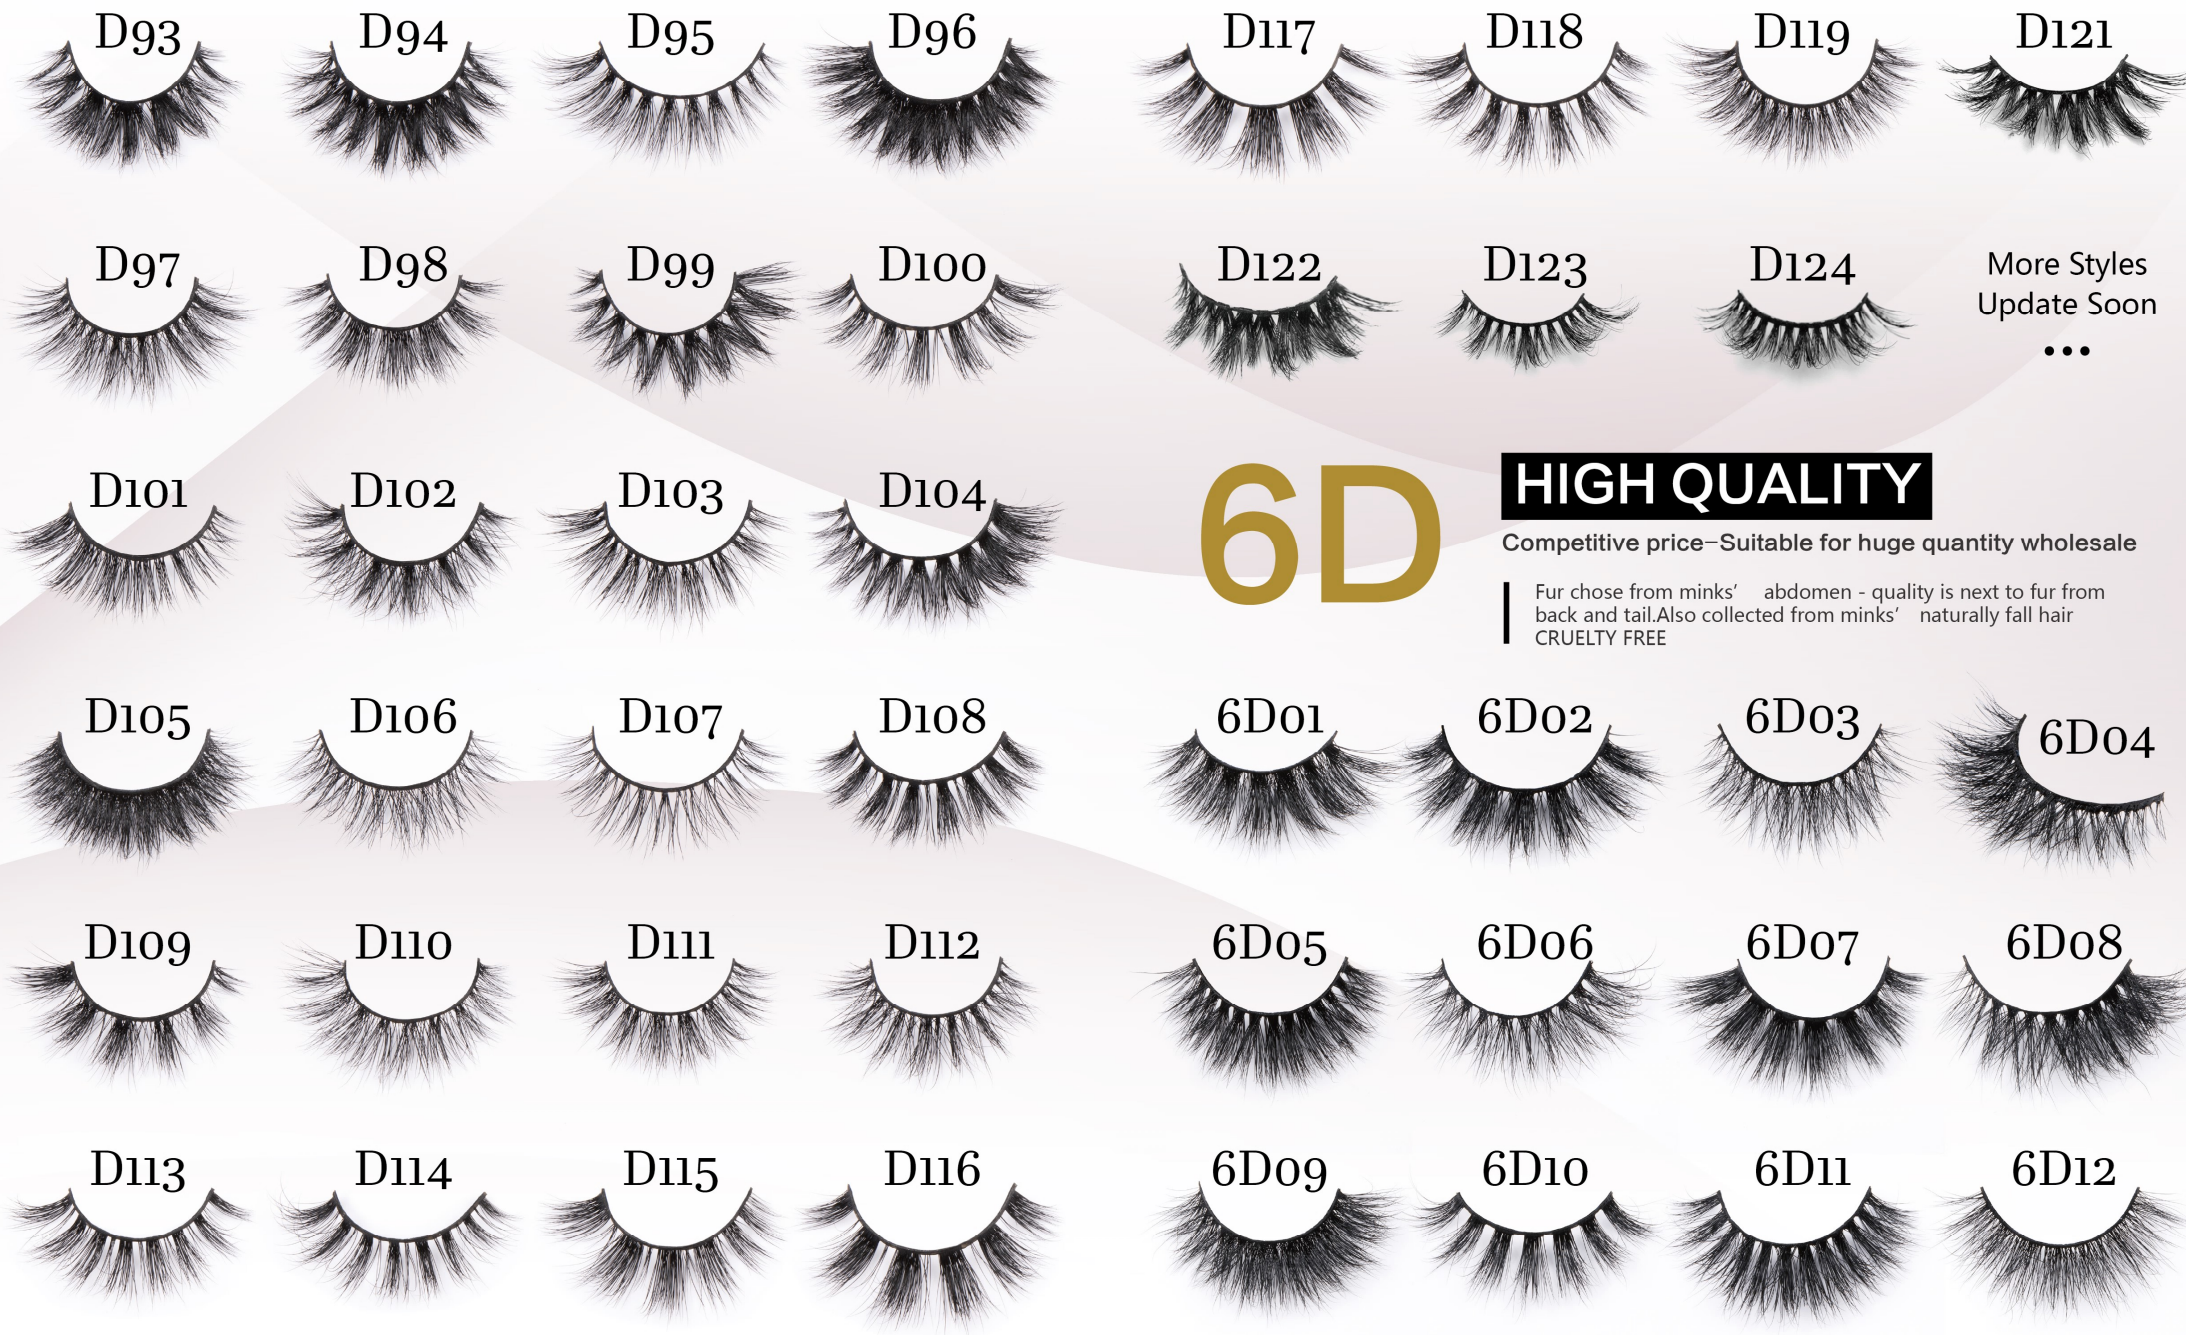

D series is our core product. We have invested a lot in R&D for these lashes. So lash quality is the best, lash styles is the newest.

■ VARIOUS STYLES

D series mink lashes are suitable for Brand Moulding.

Special Lashes

Human Hair Series Lashes

1 Natural & Healthy Lashes

Human Hair Lashes are made with 100% sterilized human hair that are hand comb and hand trimmed at varying length, and then hand arranged into strips to best complement your eyes. Our human hair lashes are carefully designed by our expert technician to offer a glamour and luxurious look.

Horse Hair Series Lashes

2 Why Choose Horse Hair Lashes ?

Horse hair is 100% natural. It provides a subtle non artificial shine and has a feather like wispy look. Our lashes can be curled like human hair, and can be worn many times with proper care.

GLUSTER Lashes

3 3d Volume Pre-made Fan

Pre-made fans feature a long, thin and are easier to apply, while our Pre-made fans provide a slightly softer, fluffier look closer resembling a hand made fan.

LED Series Lashes

4 Production Introduction

Voice control led eyelashes is designed for Christmas, Halloween, nightclubs, running, bars and etc., its voice control LED eyelashes flash function completely, color diversification, flash rhythm synchronized with the Rhythm of music, Products with ultra-low power consumption, safe voltage, do not get heat, waterproof.
