

Brand Profile

Biomaser was founded in 2003 in San Francisco. It is the perfect crystallization of American advanced permanent makeup technology and products development. It is very popular in USA, EURP. and China.

After more than 10 years of development. Biomaser has a certain degree of social awareness. From the beginning, we always put the quality first as our mission.

Biomaser combining the science with humanity as our brand concept. Insisting “ ingenuity, professional, innovation, pragmatic” as our core values, advocating “ fashion, elegant, comfortable and inclusive” as our way of life. Use high quality products and creativity, bringing humanity product experience for global permanent makeup artist.

Biomaser aimed at innovation and progress, focus on product quality & safety. And develop new products constantly. We also keep close eye on the market. And according to the customer experience and requirement. Improve our products constantly. To win customers trust.

Biomaser always show the best to the world. As our team declaration: Be the best you can. Make the best permanent makeup products.
