RAZORLINE BEAUTY WORLD

SELECTION

# RAZORLINE BEAUTY WORLD

All RAZORLINE scissors are hand-made.  
Guarantee to be sharp and perfect  
performance.

## 锐姿 1995

24

Founded in 1995, a leading manufacturer of professional hair scissors in China with nearly 24 years international marketing experience.

10

10 staff for international marketing.

8

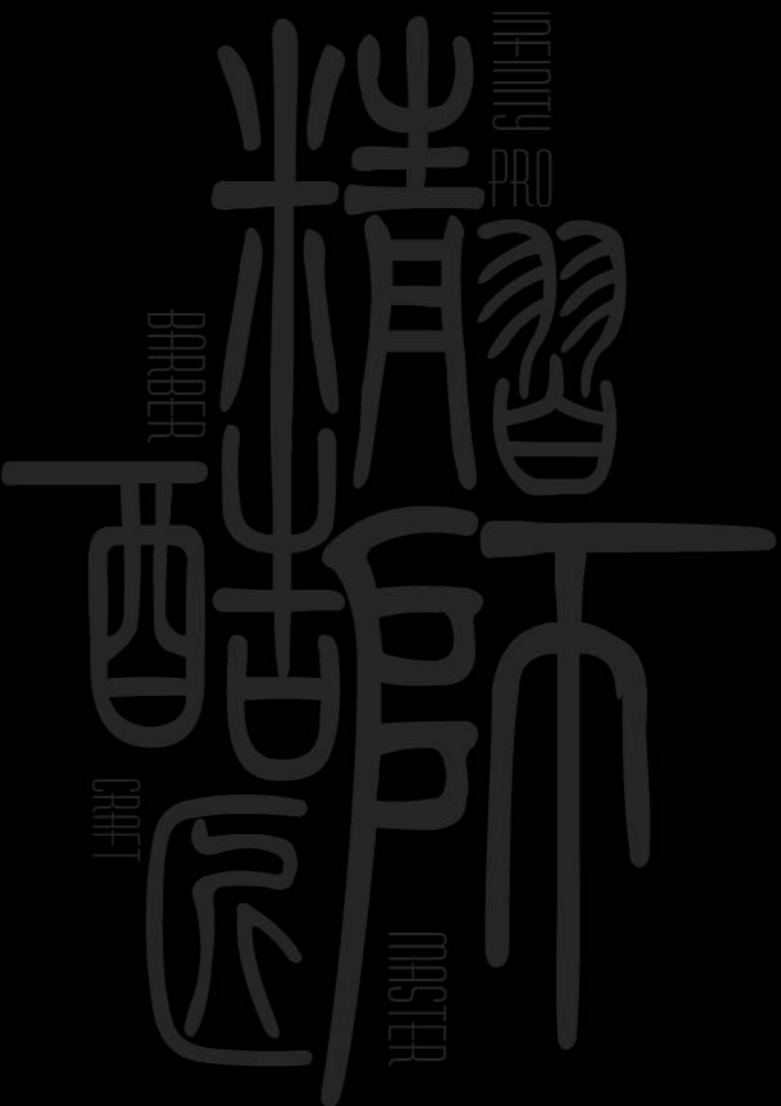

8 professional engineers in our R&D department.

12

12 QC ensure every scissor made as per Razorline standard.

120

More than 120 staff in production department.

# THE ART OF SHEARS

With over 24 years of progressive development, RAZORLINE has become one of the leading manufacturers of convex-edged hair scissors with RAZORLINE logo as well as private labels in mainland China, and also a super-supplier of other hairdressing products in the professional hair salon industry. That defines RAZORLINE as the true One Stop Source Of Supply for the professional hair industry on both international and national level.
