PT NAYUE KOSMETIK INDONESIA

INTRODUCTION

PT. Nayue Kosmetik Indonesia, established in 2016, is doing OEM business concentrating in high quality end-products and raw material from USA, Japan and Germany.

Establishing production framework that meets various need all over the countries, PT Nayue Kosmetik Indonesia is partnering with Shanghai Ayara Cosmetics,LTD., as the best and trusted manufacturing company in China. Both offers business service for OEM cosmetic market by developing and manufacturing variety of beauty product for local and international cosmetic partners.

In addition , We are specialized in research & development, custom formulization, manufacturing and packaging. We ensure that every new formulation goes through 4 assessments such as: safety, functionality microbiological and stability assessment to make sure that it is safe and has good quality before moving into mass production.

Last but not least, we welcome customers and partners from all over the world.

LIPSTICK

We can accommodate various colors, sizes, shapes and styles which can be customized as you requested.

I BELIEVE THAT ALL WOMEN ARE PRETTY WITHOUT MAKEUP

AND CAN BE PRETTY POWERFUL WITH THE RIGHT MAKEUP

— Bobbi Brown

“

There is one quality you have to process in success. We are no compromise quality guaranteed.

“

I LOVE THE CONFIDENCE THAT MAKEUP GIVES ME

”

—Tyra Banks
