**NAIL SUPPLIES  
PROFESSIONAL MANUFACTURERS**

**FACESHOWES**

## COMPANY PROFILE

Zhejiang Rongfeng Electronic Technology Co., Ltd. was established in 2007 and located in Yiwu, China, the world's small commodity capital. It's a professional manufacturer of nail products such as Gel polish, uv led nail lamps, electronic nail drills, high temperature sterilizer and uv sterilizer cabinets, Beauty equipment, manicure tools, etc. Now we have two brand "Faceshowes and EG" which have passed the CE, ROHS, BV, MSDS, SGS.

With the slogan of "creation, win-win, and sharing", our company's philosophy is "Credibility, efficiency, sincere Service, Building solidarity, Striving for Benefits". We are committed to making the "FACESHOWES" be one of the Top 3 brands of China. A world famous nail brand!

The Factory occupies 10,000 square meters and employs nearly 200 people, R & D and design team of 10 people, annual sales reached 120 million yuan at 2018. Our goal is to double raised for the following years.

Our company has advanced production equipment, perfect quality system and efficient logistics system. We offer OEM/ODM services. We have established long-term and stable cooperation with the biggest nail shops and trading companies in China. We have exported to more than 100 countries like Europe, America, South America, Russia, Ukraine, Japan and South Korea, etc. With reliable quality, competitive prices and professional services, we have a good reputation from clients all over the world. Each year, we go to attend 2 or 3 different foreign exhibitions like HK fair, cosmoprof fair, Russia beauty fair and so on.

Zhejiang Rongfeng Electronic Technology Co., Ltd. welcomes friends from all over the world. We sincerely look forward to your cooperation!

Non-toxic tasteless, Green environmental protection.

Pure color, Saturated brightness,

Stable and Durable, Unbreakable.

Easy to be colored and Easy to apply.
