

Suzhou Yunbo Glass Co.,Ltd.

Leading Experts In Glass Bottle And Jar Manufacturing

Established in 2004, Suzhou Yunbo Glass Co., Ltd. is the leading professional manufacturer of glass bottles and jars in China. Having more than 10 years of experience in the field, it has developed into a glass bottle and jar design, production, marketing, processing and technical services company for any and all industrial companies around the globe.

We produce all kinds of glass bottles (clear, amber, blue and green). Our production line includes water bottles, beverage bottles, milk bottles, wine bottles, olive oil bottles, spice jars, jam jars, perfume bottles, cosmetic jars, essential oil bottles and glass candle holders (among many others). Because of our advanced automated production line with state of the art equipment and our strong employee work ethic and quality products, we can supply OEM services according to any client's needs. We also have the ability to satisfy special requests; from matched caps, lids, corks and droppers to glass frosting, logo and label printing, engraving, spraying and screen printing.

Our Key Advantages:

1. World level glass bottle quality;
2. Complete process control;
3. Further processing like hot printing, sprayer, frosting;
4. Small qty supported for regular products(stock bottle available);
5. Customized design capacity;
6. 3rd party lab testing report;
7. Automatic inspecting line & packaging machine.
