ABOUT US

Guangdong Leiqi Cosmetics Co., Ltd was founded in 1996 in Shantou, Guangdong. Over the last decades of research and development, Leiqi has become the leading and influential cosmetic companies in China. Our brand, L'CHEAR, has been recognized as "China's Famous Trade Mark" by the State Administration for Industry and Commerce of the People's Republic of China, SAIC.

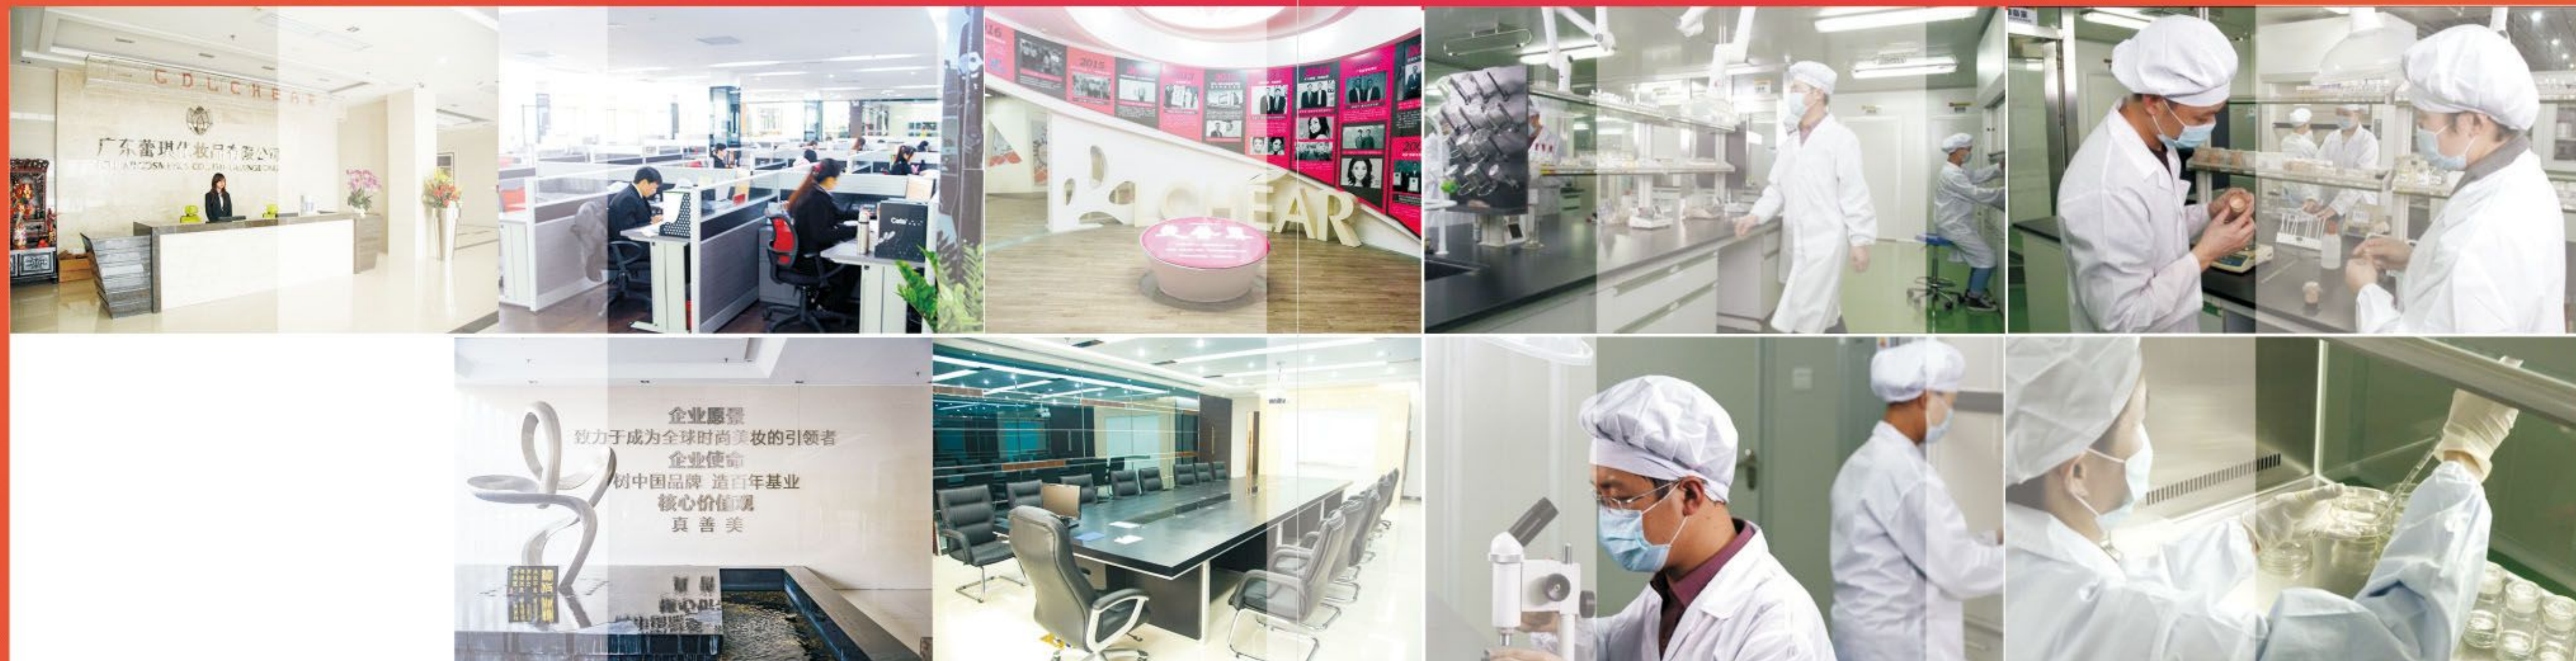

EXHIBITION HALL

Leiqi owns a floor area of about 18,000 m² of new technology industrial park and a building area of about 56,000 m² of modern factory and office building. We have more than 30 fully automatic intelligent production lines. Moreover, our company is recognized as the "National High-tech Enterprise" by our country.

OUR CULTURE

Our Vision: committed to become the world's leading fashion beauty makeup company

Our Mission: establish Chinese brand, build century foundation

Our Values: the True, the Good, and the Beautiful

Our Spirit: Energy, Responsibility, Efficiency and Innovation

Company Philosophy: continuing exploration and pursuing excellence

Operation Philosophy: honesty first and people-oriented

Service Philosophy: win-win corporation and common development

OUR ADVANTAGES

RESEARCH & DEVELOPMENT

Through decades of research and development, Lei qi has a number of formula invention patents. We gather professional scientific research talents from many different fields, including but not limited to: biotechnology, dermatology, botany and image design. Lei qi established "Lei qi Product Research and Development Center" and "Image Color Research Center" to study different skin characteristics and image color design. Meanwhile, we established strategic cooperation with many scientific research institutions in France, Japan, South Korea and domestic professional research and development institutions. Our joint research and development provides a guarantee for the continuous upgrade of products.

QUALITY CONTROL

We established a set of complete and strict quality management system, and passed the ISO9001:2000 international quality system certification, ISO22716, GMPC international management system certification and AAAA enterprise Good Standardizing Practice Certificate. Our production process, from raw materials screening, processing, manufacturing and packaging, are strictly in accordance with international professional production standards. Each production process is strictly monitored to ensure product quality control. Through strict product inspection, we ensure the safety of the product and achieve quality assurance.

SUPPLY CHAIN

Lei qi has made a strong connection with domestic and foreign suppliers overtime and creating a strong supply chain. Moreover, we have our own packing production site, from product development, injection molding to printing, all in one place. Having a strong supply chain and self-produced packing, we are able to make customized products that meet customers' need.
