# OUR COMPANY

Located in Guangzhou city, Guangdong Province, mainland, China, Guangzhou Queen Hair Products Co., Ltd. is specialized in the design and manufacture of human hair extensions, especially in Brazilian, Peruvian, Malaysian, European virgin hair and lace closures. With over 8 years experience in hair products, we have already established a close relationship with retailers, wholesalers as well as business agents throughout the USA, the UK, Canada, South Africa and many European countries in the world.

---

# FACILITY AND SUPPLY

In order to manufacture high-quality hair extensions, we have built our own factory and selected great quality human hair from the temples around the world. Experts in hair weaving are enrolled to produce the hair as well. Every month, our factory can supply over 100,000 kgs of hair extensions to fulfill the needs and demands of our customers. With high-tech equipments to test the quality and experienced hair-weavers to produce our products, our quality maintains in a stable way. Good quality and best service help us achieve our business goals, appreciation and approvals from our customers worldwide.

---

# MAIN GOALS AND CUSTOMERS SATISFACTION

To create more beauty products, maintain high-quality hair extensions and update not only our products but ourselves so as to keep us ahead of the world, and the last but most vital one: to make every client satisfied with everything we offer and to grow stronger together. To be the real queen, starts here!

Even now, Ali queen hair has become the unique human hair brands on ali express, even in China. Have office space more than 1000 m<sup>2</sup>, the most professional sales team members of more than 30 person, and the most conscientious Aftermarket logistics team of more than 20 people. We cooperating with dozens of high quality raw material factory, become a collection of r & d, design, custom, production and processing as one of the industry and trade integrated enterprise.
