

Professional Cosmetics Packaging Manufacturer

# COMPANY PROFILE

ShaoXing YiCai Plastics Co.,Ltd is a professional manufacturer of cosmetics packaging for more than 15 years. We are specialized in cosmetics packaging including acrylic bottle, acrylic jar, plastic bottle, plastic tube, airless bottle, airless jar, acrylic cap and plastic tube. It provides total solution to meet different customer needs from the product development, mould design and manufacturing, injection mould, UV coating, hot stamping and silk screen, and assembly to final products.

To assure good quality, we are equipped with independent QC department via inspection instrument. The products have been exported to all over the world.

We always take care of client's new idea and requirement. Our vision is: offer total solution for clients' cosmetic packaging problems. We have advantage location which is only one hour driving from Ningbo Port and two hours driving from Shanghai port. We have best quality, competitive price, best service. We believe our constant efforts will help our customers flourishing and succeed.
