Ally Beauty
GLOBAL INNOVATION

东莞市正和日用制品有限公司
ALLY BEAUTY PRODUCT MANUFACTURE CO., LTD.

东莞正和日用制品有限公司前身是创业于2005年为知名化妆刷企业提供各种天然毛、人造毛的丰利来毛业，为发挥自身的资源优势，2010年在深圳成立金凤凰化妆用具有限公司，专业生产制造毛刷成品。

2015年应市场和客户的需求，公司拆资 5000万，在华南彩妆用品产业聚居地，自建占地8000平方米的现代化厂房，成立东莞市正和日用制品有限公司。正和人以“专注客户,关注员工，用心敬业”为核心价值观,通过不断为客户提供优质产品，通过全体正和人的敬业、专业和努力,打造化妆刷行业的一流企业。

正和现有厂房面积 12000余平方米，员工300多名，其中专业技术工人超过150名，各类工程、技术人员20余名。正和设有行业一流的拉丝、成型、染色、梳整人造毛生产线，使用行业领先的自动化生产设备，并采用国家发明专利技术，生产各类刷品用毛，以及银离子、负离子、微晶纳米抗菌系列、含维生素、胶原蛋白等自带美容功能系列用毛，产品通过SGS及国家权威部门的检测，具有月产40000kg以上的产能。正和设有现代化的铝管冲压、拉伸、成型、氧化、电泳车间，具有月产300万只以上的铝管配套能力。正和新建现代化空调生产和仓储厂房，设有墩毛、配装、无尘包装车间和配套的流水线，ETO消毒设备等。具有月产300万只以上的化妆刷成品制造能力。

正和聚集行业顶尖一流管理团队，借鉴现代管理技术，发扬中国传统文化，以产品为导向，不断为客户创造价值为宗旨。通过ISO9001、FSC等质量管理体系认证及欧莱雅等客户的社会责任体系认证。正和设有研发中心，配有3D打印设备，为客户提供专业的化妆刷品的理念、设计、功能、包装等解决方案。

正和欢迎你！

Ally Beauty Product Manufacture Co., Ltd was formerly known as Fenglilai, the famous brush hair manufacturer that providing various animal and synthetic brush hair to the makeup brush industry. To play its hair resource advantage, in 2010 the company established King Phoenix Cosmetic Products Co., Ltd. at Shenzhen and specialized in professional makeup brush manufacturing.

As the market developing and increasing demand from customers, the company funded ¥ 50,000,000.00 to set up Ally Beauty Product Manufacture Co., Ltd. with a newly constructed modernized factory in 8000 m² floor space at the color cosmetic industry area of Southern China.

“Focus on customer, attention to associate, devoted to work” is the core value of Ally to persist in production and services for customer. By the dedication and profession of the whole Ally crew, Ally determine to be the top manufacturer among the brush industry in the near future.

Ally operating the manufacturing in its new factory workshop of 12000 m², with over 300 workers including 150 professional technicians and over 20 engineers in various production range.

Self providing the brush hair material with its hair production line, Ally's leading workmanship covering from hair extrusion, dyeing and trimming by professional plant and machinery. With the spirit and capacity of innovation, Ally have invented the revolutionary brush fiber with skin care function, containing salutary elements of nano negative ion, amino acid, vitamin and collagen, these inventive new fiber have obtained the national patent and function certification by authorized 3rd party. With the monthly production capacity over 40000kg, Ally can stably supply these new fiber to promote the new market.

To ensure the material quality and stability, Ally also invested its own ferrule production line, with pressing, extrusion, shaping and oxidation process all completed in our workshop, Ally are producing over 3,000,000 pieces of ferrule to matching the monthly brush manufacturing.

New Ally factory operating in air-conditioned environment, with automated pipeline of brush assembling and package and large warehouse as well as ETO fumigation equipment, Ally guarantee the production, quality and storage in well organization for our customer.

Ally gathering the top professional management team to maintain the steady business development and to create value for our customer. With the certified of ISO9001 social compliance system and wood material FSC certificate, our management and production have convinced the cooperation of many famous branded customer.

To keep up with the market trend and provide creative solution for customer, Ally set up the R&D department to serve customer's idea, With 3D sampling equipment, our design service for brush and package will effectively realized the creativity for our customer.

Ally also create its own brand “ Calae” for domestic retail and online sales market. Major customer of Ally including Oriflame, Ulta, Ross, Sears, Marionnaud, Watsons and etc, global market throughout America and Europe, and continuously expanding.

Welcome to Ally Beauty!
