RHAFINE
Skin Care Device

Rhafine is a professional manufacturer of home use skin care device. We aim to bring you in-house skin care experience with our home use skin care devices at affordable cost.

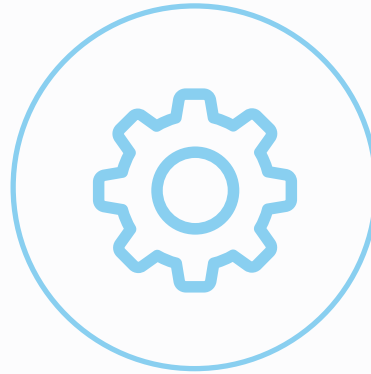

ABOUT US

OUR STRENGTH

DESIGN

We have a designer team of 10 with creative award-winning works.

MOLDING

8 Tooling & Molding Engineers help bring designers' idea alive.

MANUFACTURE

80 workers assemble and 10 QC staff assure the quality.

PRODUCT LINES

1

FACIAL CLEANSING

- Sonic Facial Brush
- Heating & Massage Sonic Facial Brush
- Ultrasonic Skin Scrubber
- Blackhead Remover

2

FACIAL TONING

- Microcurrent Face Lifting
- Red Light RF Skin Tightening

3

FACIAL LIGHT THERAPY

- LED Light Therapy Mask for Acne

4

OEM & ODM

- Give us your Skin Care Device idea.
- We design and make it real.

1

FACIAL CLEANSING

Cleansing is
the most essential part of skin care.

Facial Cleansing

Sonic Facial Brush

R1101

Specification

Color	Pearl White	Sakura Pink
	Customized	
Power	Max 0.5W	
Battery Capacity	600mAh	
Charge rate	DC 5V / 100mA	
Charge time	6H	
Material	Brush	Food grade silicone
	Body	ABS+PC
Brush	Diameter	Min. 0.5mm
	Length	5mm
	Hardness	30
Waterproof	IPX7	
Dimension	80*60*35mm	
Weight	Net weight	55g
	With package	192g

Sonic Facial Brush

0.5mm thinnest brush head | IPX7 Waterproof | 5s fast foaming | Magnetic charger connector

Facial Cleansing

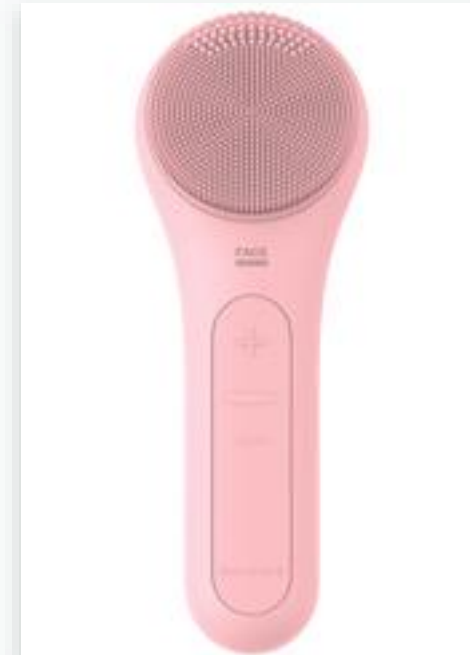

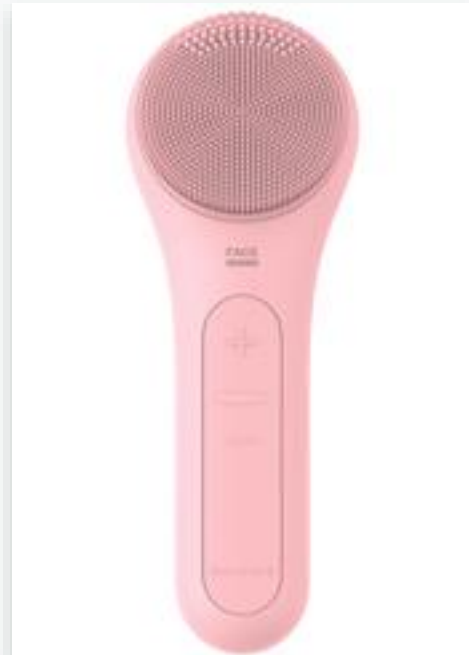

Heating & Massage Sonic Facial Brush

R1108

Specification

Color	Pink	Blue
	Customized	
Power	Max 3.5W	
Battery Capacity	800mAh	
Charge rate	DC 5V / 1A	
Charge time	6H	
Material	Food grade silicone + Plastic(ABS+PC)	
Brush	Diameter	Min. 0.5mm
	Length	5mm
	Hardness	30°
Waterproof	IPX7	
Dimension	146*54*30mm	
Weight	Device	108g
	Charger base	37g
	With package	215g

Heating & Massage Sonic Facial Brush

Mild Heating | Massage | Deep cleansing
0.5mm thinnest brush head | IPX7 Waterproof | Magnetic charger connector

Facial Cleansing

Ultrasonic Skin Scrubber

R1102

Specification

Color	Ceramic White / Customized	
Rated Power	1.5 W	
Battery Capacity	600mAh	
Charge rate	DC 5V / 1A	
Charge time	2 Hours	
Runtime	120 minutes	
Material	Head	Steel
	Body	ABS
Frequency	25,000 Hz	
Waterproof	IPX4	
Dimension	160*52*25 mm	
Weight	Net weight	82 g
	With package	210 g

Ultrasonic Skin Scrubber

25,000Hz frequency | Peeling | Ion Leading-in | 35°C Mild Heating

Unclog pores | Facilitate nutritional absorption | Promote skin blood circulation & skin cell metabolism

Facial Cleansing

Blackhead Remover

R1105

Specification

Color	Body: White; Head: Rose gold	
	Customized	
Rated Power	0.75W	
Rated Current	200mA	
Battery Capacity	800mAh	
Charge rate	5V / 1A	
Charge time	1H	
Runtime (continuous)	Low: 2.5H; Normal: 2H; High: 1.5H	
Suction power	Low: 60Kpa; Normal: 61Kpa; High: 62Kpa	
Material	Body: PC	
Dimension	Body - 165*42*42 mm;	
	Box - 215*115*45mm	
Weight	Net weight	125 g
	With package	235 g

Blackhead Remover

62Kpa Suction Power | 3 Suction Intensities | 4 Suction Probes | 3 Weeks Runtime
Remove Blackheads, whiteheads, dead skin cells | Silky and Tender Skin friendly

2

FACIAL TONING

Facial toning is a process of facial rejuvenation by reducing wrinkles, sagging and expression marks on the face and skin.

Facial Toning

Microcurrent Face Lifting

R1103

Specification

Color	Ceramic White / Customized	
Rated Power	0.3W	
Vibration	11000/minute	
Battery	AAA*2	
Runtime	appx. 3 months	
Material	Head	metal
	Body	ABS+PC
Dimension	Device 170*65*35mm	
	Box 200*85*45mm	
Weight	Net weight	71g
	With package	180g

Microcurrent Face Lifting

Gentle microcurrent treatment | V-shape & Bio-sensing design | 11000 pulsations/minute
Improve facial contours and skin texture | Lift and firm up facial muscles | Reduce wrinkles and fine lines

Facial Toning

Red Light RF Skin Tightening

R1106

Specification

Color	White / Customized	
Rated Power	1Mhz±30%; Max 12W	
Battery Capacity	1600mAh	
Charge rate	5V/500mA	
Charge time	4H	
Runtime (continuous)	2H	
Red Light	16*LED(Ø3mm); Wavelength: 620±20nm;	
Head Mild Heating	43°	
Material	Body - ABS+PC; Head: metal	
Dimension	Body - 167*45*43mm	
	Box - 220*140*55mm	
Weight	Net weight	130 g
	With package	510 g

Red Light RF Skin Tightening

635nm Red Light | Radio Frequency | 43° Mild Heating | Bio-sensing
Stimulate collagen production | Lift and Firm skin | Reduce wrinkles | Increase skin elasticity

3

FACIAL LIGHT THERAPY

Light Therapy shows the magic power of lights when the skin is exposed in certain lights - Red or Blue light.

Facial Light Therapy

LED Light Therapy Mask for Acne

R1107

Specification

Color	White / Customized	
Rated Power	3W	
Battery Capacity	2000mAh	
Charge rate	5V/900mA (USB-C)	
Charge time	3.5H	
Working Current	250mA	
Runtime	2.5H	
Material	ABS+PC+PVC	
Light	Blue	Red
LED	12*Blue	10*Red
Wavelength	Blue 450nm	Red 625nm
Working Temperature	42~46°C	
Dimension	Mask - 200*170*12mm	
	Box - 205*172*115mm	
Weight	Net weight	202g
	With package	342g

LED Light Therapy Mask for Acne

450nm Blue light | 625nm Red light

Blue light targets acne-causing bacteria | Red light reduces acne inflammation
Non-invasive | Minimize breakouts | Curing acne | Heal and calm existing blemishes

4

OEM & ODM

Design | Tooling | Manufacture | Quality

You give idea. We bring it alive. Creatively and Cost effectively.

CERTIFICATES

We understand the importance of quality compliance with local market regulations.
