EYE CARE DEVICE

Portable RF Eye Relaxation Apparatus @BM12

- ❑ RF 90KHz wave reaches the dermis, activates collagen, reduce fine lines
- ❑ EMS micro current tightens the skin, removes dark circles and eye bags
- ❑ The gold-plated lead-in heads helps absorption of cream
- ❑ Metal cabinet, gradient color design and good touch feeling
- ❑ Three gears and smart power off for 10 minutes

1.Product name:	Portable RF Eye Relaxation Apparatus	11.Key features:	Relieving/Lifting/Firming
2.Product number:	BM12	12.Waterproof rate:	IPX5
3.Input voltage:	DC 5V/1A	13.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Rated power:	2W (Max)	14.Switch mode:	On/off/adjust
5.Lithium battery:	500mAh	15.Auto shut off:	10 minutes
6.Charging time:	2 Hours	16.Product size:	131×28×25mm
7.Battery life:	1 Hour	17.Product weight:	96g
8.Adjustments:	3 gears	18.Gift box dimension:	148×148×62mm
9.RF heads:	Gold electroplated	19.Gross weight:	0.44kg
10.Materials:	Zine-alloy/316 stainless steel/ABS/PC	20.Qty per carton	69pcs
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

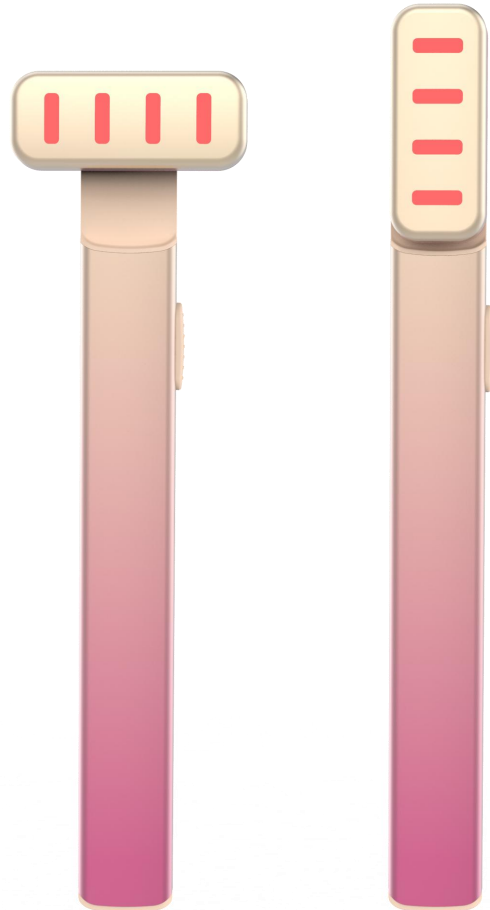

Hera Portable RF Ultrasonic Eye Beauty Device @BM15

- RF 90KHz wave reaches the dermis, activates collagen, reduce fine lines
- 3 MHZ Ultrasonic waves increase absorption of skin products
- Constant heating temperature 42°C and continuous slight vibration
- 316 medical stainless steel materials and smart automatic shut off
- The fashion design with Austrian rhinestones and good touch feeling

1.Product name:	Hera RF Ultrasonic Eye Beauty Device	11.Key features:	Relieving/Lifting/Firming
2.Product number:	BM15	12.Function:	RF/vibration/warm/ultrasonic
3.Input voltage:	DC 5V/1A	13.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Input power:	3.5W	14.Adjustments:	3 gears
5.Lithium battery:	1000mAh	15.Auto shut off:	10 minutes
6.Charging time:	4 Hours	16.Product size:	152*34*27mm
7.Battery life:	1 Hour	17.Product weight:	125g
8.Ultrasonic frequency:	3MHz	18.Gift Box Dimension:	192*120*76mm
9.RF frequency:	90KHz	19.Gross Weight:	401g
10.Materials:	316 stainless steel, ABS, PC	20.Qty per Carton	To be negotiation

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Portable Eye massager pen @BM22

- ◆ 42°C heat therapy and high frequency sonic vibration can promote absorption.
- ◆ EMS micro current tightens the skin and remove Dark Circle.
- ◆ Red light helps deeply rejuvenate and tender skin
- ◆ Smart touching and 90 degree rotating head easy to use
- ◆ Small and delicate appearance and portable to carry

1.Product name:	Portable Eye massager pen	11.Key features:	Relieving/Lifting/Firming
2.Product number:	BM22	11.Function:	Heat/vibration/ems/red light
3.Input voltage:	DC 5V/1A	11.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Input power:	1.2W	12.Switch Mode:	On/off/adjust
5.Output Power:	0.9W(max)	13.Color:	Customizable
6.Lithium battery:	250mAh	14.Product size:	156*16.5*12.5mm
7.Charging time:	2 -3 Hours	15.Product weight:	35g
8.Work time:	1 Hour	16.Gift Box Dimension:	200*83*30mm
9.Materials:	Aluminum alloy, PC	17.Gross Weight:	122g
10.Charging port:	Micro USB	18.Qty per Carton	To be negotiation

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

PART 02

FACE CARE DEVICE

Portable RF tender skin apparatus @BM10

- ❑ RF technology works on dermis to promote collagen regeneration
- ❑ EMS micro-current tightens and lifts loose skin
- ❑ Red light tends and smooths the skin , Blue light diminish inflammation
- ❑ 42 °C warm promotes absorption & 17 °C cold compress shrink pores
- ❑ Fashion design with metal body, unique Magnetic induction charging port

1.Product name:	Portable RF tender skin apparatus	11.Key features:	Tightening/Lifting/Firming
2.Product number:	BM10	12.Color:	Black (color customized)
3.Input voltage:	DC 5V/1A	13.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Rated power:	2W (Max)	14.Switch mode:	On/off/adjust
5.Lithium battery:	1100mAh	15.Auto shut off:	10 minutes
6.Charging time:	2 Hours	16.Product size:	53.5*160*38mm
7.Battery life:	1 Hour	17.Product weight:	263g
8.Adjustments:	4 gears	18.Gift box dimension:	121*211*55mm
9.LED lights:	Red/Blue	19.Gross weight:	419g
10.Materials:	Aluminum/ABS/PC	20.Qty per carton	To be determined
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Hera Multifunctional RF Tender Skin Apparatus @BM13

- Multifunctional effects with 5 modes (ATW/LAP/TS/LED/VR)
- ATW RF smooth skin & IAP promotes absorption & TS tighten skin
- LED Phototherapy of Blue, Red , Green and vibration relieves facial fatigue
- 316 medical stainless steel material & Smart reminders to prevent overuse
- The initiative fashion design with Austrian rhinestones and good touch feeling.

1.Product name:	Hera RF instrument	11.Key features:	Lifting/Rejuvenating/Massage
2.Product number:	BM13	12.Intelligent timing:	15minutes
3.Input voltage:	AC 100-240V(50/60HZ)	13.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Output voltage:	DC12V(1.5A)	14.Switch mode:	On/off/adjust
4.Rated power:	12W(Max)	15.Auto/Manual:	Manual
5.Output cycle:	90KHZ	16.Product size:	254.6g
7.Gear:	4 gears	17.Product weight:	235×195×90mm
8.Adjustments:	5 modes(ATW/LAP/TS/LED/VR)	18.Gift box dimension:	1185g
9.LED lights:	Red/Blue/Green	19.Gross weight:	254.6g
10.Materials:	PC, ABS, Stainless-steel	20.Qty per carton	30pcs (75cm*44cm*49cm)
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Hera Multifunctional Ultrasonic RF Skin Apparatus @BM14

- ◆ The fashion design with Austrian rhinestones and good touch feeling.
- ◆ IAP 3MHZ Ultrasonic and electroporation improve the absorption of nutrition
- ◆ ATW multipole RF rejuvenate skin & TS tighten and lift skin
- ◆ Red light tenders and smooths the skin ,Blue light diminish inflammation
- ◆ 316 medical stainless steel material & Smart reminders to prevent overuse

1.Product name:	Hera RF Ultrasonic instrument	11.Key features:	Lifting/Rejuvenating/Massage
2.Product number:	BM14	12.Intelligent timing:	15minutes
3.Input voltage:	AC 100-240V(50/60HZ)	13.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Output voltage:	DC 3.5/1.35	14.Switch Mode:	On/off/adjust
4.Rated power::	12W(Max)	15.Auto/Manual:	Manual
5.Output cycle:	90KHZ	16.Product size:	193×53×45mm
7.Gear:	4 gears	17.Product weight:	227g
8.Adjustments:	5 modes(ATW/LAP/TS/LED/VR)	18.Gift Box Dimension:	235×195×90mm
9.LED lights:	Red/Blue	19.Gross Weight:	1.08kg
10.Materials:	PC, ABS, Stainless-steel	20.Qty per Carton	30pcs (75cm*44cm*49cm)
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Multifunctional Skin Care Beauty Device @BM16

- ❑ Multifunctional effects with 5 modes (ATW/IAP/TS/LED/VR)
- ❑ ATW RF smooth skin & IAP 3MHz Ultrasonic promotes absorption & TS tighten skin
- ❑ Red light smooths the skin, Blue light diminish inflammation
- ❑ 316 medical stainless steel material, smart reminders to prevent overuse
- ❑ Fashion design and good touch feeling, ergonomic and comfortable to hold

1.Product name:	Multifunctional Ultrasonic RF Beauty Device	11.Key features:	Lifting/Rejuvenating/Massage
2.Product number:	BM16	12.Intelligent timing:	10minutes
3.Input voltage:	AC 100-240V(50/60HZ)	13.Certificate:	ISO9001/BSCI
4.Output voltage:	DC12V(1.5A)	14.Switch mode:	On/off/adjust
5.Rated power:	12W(Max)	15.Auto/Manual:	Manual
6.RF frequency:	90KHZ	16.Product size:	45*42*202mm
7.Ultrasonic frequency:	3MHz	17.Product weight:	182g
8.Adjustments:	5 modes(ATW/LAP/TS/LED/VR)	18.Gift box dimension:	To be negotiation
9.LED lights:	Red/Blue	19.Gross weight:	To be negotiation
10.Materials:	PC, ABS, Stainless-steel	20.Qty per carton	To be negotiation
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Multifunctional Skin Care Beauty Device @BM18

- 9 pcs 316 medical stainless steel lead-in heads ,fashion design and good touch feeling
- RF technology works on dermis to promote collagen regeneration, rejuvenate skin
- EMS micro-current stimulates muscle movement,tights and lifts loose skin
- 3MHZ Ultrasonic and electroporation promote the absorption of nutrition
- Red light tenders and smooths the skin ,Blue light diminish inflammation

1.Product name:	Multifunctional face beauty device	11.Key features:	Lifting/Rejuvenating/Massage
2.Product number:	BM18	12.Intelligent timing:	5minutes
3.Input voltage:	AC 100-240V(50/60HZ)	13.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Output voltage:	DC12V(1.5A)	14.Switch Mode:	On/off/adjust
5.Rated power:	18(Max)	15.Auto/Manual:	Manual
6.Output cycle:	160KHZ	16.Product size:	52.4*55*171.4mm
7.Gear:	4 gears	17.Product weight:	249g
8.ultrasonic frequency :	3MHZ	18.Gift Box Dimension:	To be negotiation
9.LED lights:	Red/Blue	19.Gross Weight:	To be negotiation
10.Materials:	PC, ABS, Stainless-steel	20.Qty per Carton	30pcs (75cm*44cm*49cm)
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Multifunctional Skin Care Beauty Device @BM19

- Multifunctional beauty device with 8 technologies
- Weekly mode and daily care mode are simple and easy to operate
- Weekly mode: 3 kinds of dynamic RF(90-160Khz) + ultrasonic + red light + vibration
- Daily mode: Micro current + blue light + vibration
- Fashion design, 316 medical stainless steel treat head, 3D movable head

1. Product name:	Multifunctional beauty device	11. Key features:	Lifting/Rejuvenating/Massage
2. Product number:	BM19	12. Intelligent timing:	15minutes
3. Input voltage:	AC 100-240V(50/60HZ)	13.Certificate:	ISO9001/BSCI
4. Output voltage:	DC12V(1.5A)	14.Switch mode:	On/off/adjust
5. Rated power:	18(Max)	15.Auto/Manual:	Manual
6. RF frequency:	90-160KHZ	16.Product size:	48.9*52.3*194.7mm
7. Gear:	4 gears	17.Product weight:	255g
8. Ultrasonic frequency	3MHZ	18.Gift box dimension:	195*235*91mm
9. LED lights:	Red/Blue	19.Gross weight:	1144g
10. Materials:	Stainless Steel, Zinc Alloy, ABS	20.Qty per carton	30pcs (75cm*44cm*49cm)

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Portable RF face beauty device @BM10-Lite

- ◆ RF technology works on dermis to promote collagen regeneration
- ◆ EMS micro-current tightens and lifts loose skin
- ◆ Electroporation technology can improve essence infusion
- ◆ Red light therapy & Blue light therapy
- ◆ Fashion design with 4 energy levels

1.Product name:	Portable RF face beauty device	11.Key features:	Tightening/Lifting/Firming
2.Product number:	BM10-Lite	12.Color:	Pink (color customized)
3.Input voltage:	DC 5V/1A	13.Certificate:	ISO9001/BSCI
4.Rated power:	5.5W (Max)	14.Switch mode:	On/off/adjust
5.RF technology:	90KHz	15.Auto shut off:	10 minutes
6.Charging time:	4.5 Hours	16.Product size:	54*161*38mm
7.Battery life:	2 Hours	17.Product weight:	213g
8.Adjustments:	4 intensities	18.Gift box dimension:	Upon client's request
9.LED lights:	Red/Blue	19.Gross weight:	Upon client's request
10.Materials:	316 stainless steel, ABS, PC	20.Qty per carton	Upon requirement
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Hot and Cold Ion Beauty Device @BM30

- ❑ Heating therapy promotes absorption
- ❑ Cooling therapy shrinks pores, locks skincare essence
- ❑ Ion hyper-infusion technology drives essence deeper into your face
- ❑ Sonic vibration massage effectively relaxes the skin
- ❑ Exquisite design and suitable for all kinds of skin.

1.Product name:	Hot and Cold Ion Beauty Device	11.Main function:	Cool/warm/ionic/Vibration
2.Product number:	BM30	12.Waterproof rate:	IPX5
3.Output power:	4W	13.Certificate:	ISO9001/BSCI
3.Input voltage:	5V	14.Switch mode:	On/off/adjust
4.Lithium battery:	800mAh	15.Auto/Manual:	Manual
5.Charging time:	3hours	16.Product size:	42.2*49.1*88.2mm
7.Adjustments:	2modes	17.Product weight:	113g
8.Cool temperature :	6°C±2°C	18.Gift box dimension:	Upon client's request
9.Heat temperature:	42°C±2°C	19.Gross weight:	Upon client's request
10.Materials:	304 stainless steel, aluminum alloy, ABS,	20.Qty per carton	Upon client's request

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

UFO Facial Mask Device @BM42

- Accelerating the Absorption effects of a facial mask in only 90 seconds
- Sonic Vibration and ionic Infusing therapy facilitate absorption
- Thermo therapy promotes absorption, cryo therapy shrink pores
- Red light smooths the skin, Blue light diminish inflammation
- Waterproof rate, Large battery capacity, Food grade silicone

1.Product name:	UFO Facial Mask Device	11.Key features:	Cleansing/Lifting/Rejuvenating
2.Product number:	BM42	12.Color:	Pink (color customized)
3.Input voltage:	5V	13.Certificate:	ISO9001/BSCI
4.Lithium battery:	1200mAh	14.Switch Mode:	On/off/adjust
5.Charging time:	4.5Hours	15.Auto/Manual:	Manual
6.Battery life:	2 hours	16.Product size:	82*81*38mm
7.Adjustments:	4modes	17.Product weight:	181g
8.Main function:	Cool/warm/led light/ionic Therapy	18.Gift Box Dimension:	
9.Vibration level:	4 levels	19.Gross Weight:	
10.Materials:	Aluminum, Silica Gel, ABS	20.Qty per Carton	Upon client's request
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

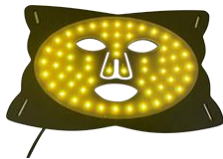

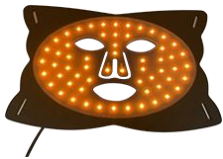

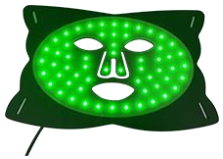

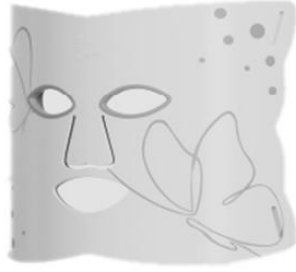

Ultrasonic Vibration Facial Massager @BM21

- Ultrasonic Facial Skin Cleansing and Essence Infusing
- Red light import, blue light export, tightening, lifting and rejuvenating the skin.
- continuous slight vibration to relieve fatigue
- Metal magnetic suction ring for makeup removing
- 316 medical stainless steel material

1.Product name:	Ultrasonic Vibration Facial Massager	11.Key features:	Infusing/Cleansing/Rejuvenating
2.Product number:	BM21	12.Waterproof rate:	IPX5
3.Input voltage:	DC 5V/1A	13.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Ultrasonic frequency:	3 MHz	14.Switch Mode:	On/off/adjust
5.Lithium battery:	700mAh	15.Auto shut off:	5 minutes
6.Charging time:	3 Hours	16.Product size:	181×52×44mm
7.Battery life:	45 minutes	17.Product weight:	118g
8.Adjustments:	2 modes(Import/Export)	18.Gift Box Dimension:	212*108*58mm
9.LED lights:	Red/Blue	19.Gross Weight:	0.5kg
10.Materials:	316 stainless steel/ABS/PC	20.Qty per Carton	25pcs

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

LED Light Therapy Mask @BM20

- ◆ 4 modes to treat a myriad of skin problems
- ◆ 3 adjustable intensities of each light
- ◆ Silicone material: Surface stains are easy to clean
- ◆ Smart power off for 10 minutes to prevent overuse
- ◆ Yellow light mode, green light mode, red light mode, orange light mode

1.Product name:	LED Facial Mask	11.Feature:	rejuvenating/Relieving/Lifting
2.Product number:	BM20	12.Color:	Blackor customized
3.InputVoltage:	DC5V/1A	13.Certificate:	
4.Battery capacity:	3.7V 2500mAH	14.Product size:	304.5*195*5.2mm
5.Charging current:	600mA+/-10%	15.Product weight:	365g
6.Charging time:	4-6h	16.Gift Box Dimension:	319*215*62mm
7.Light intensity:	3Levels	17.Gross Weight:	993g
8.Power by:	USB rechargeable	18.Qty per Carton:	14pcs
9.Light color:	Red+Green+Yellow+Orange	19.CartonDimension:	450*335*458mm
10.Application:	Home use	20.CartonWeight:	15.1Kg
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

LED Light Therapy Mask @BM156

- ❑ 54 light beads provide high-density and high-intensity skincare energy
- ❑ 7 different beauty lights help solve various skin problems in one device
- ❑ Adjustable working area provides a more precise skincare treatment
- ❑ A rechargeable battery makes it available to use anywhere at any time
- ❑ Soft silicone frame delivers a snug fit and never allows light leak in

1.Product name:	LED light Therapy Mask	11.Green light wave length:	520-540nm
2.Product number:	BM156	12.Cyan light wave length:	520-540nm
3.Working voltage:	3.7V	13.Purple light wave length:	310-330nm
4.Output voltage:	DC 5V/1A	14.Switch Mode:	On/off/adjust
5.Battery Capacity	350mAh	10.Materials:	PET,ABS,Silicone
6.Continuous Working Time	About 40 Minutes	16.Product size:	
7.Blue light wave length:	450-470nm	17.Product weight:	
8.Red light wave length:	620-640nm	18.Gift Box Dimension:	
9.Orange light wave length:	600-620nm	19.Gross Weight:	
10.Yellow light wave length:	580-600nm	20.Qty per Carton	
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Eye Spa Instrument @BM28

- ❑ Ultrasonic mist technology for optimal hydration
- ❑ Cool mist reduces puffiness and eye soreness
- ❑ Warm steam soothes fatigue and revitalizes eye area
- ❑ Adjustable timer settings for personalized treatment
- ❑ Open water tank, visual screen, dual overheating protection

1.Product name:	Eye Spa Instrument	11.Key features:	Lifting/Rejuvenating/Massage
2.Product number:	BM28	12.Intelligent timing:	5/10/15/20/25/30 mins
3.Input voltage:	AC 100-240V(50/60HZ)	13.Certificate:	CE/ROHS/FCC/PSE/BSCI
4.Output voltage:	DC 24V 3A	14.Switch Mode:	On/off/adjust
5.Rated power:	72w	15.Auto/Manual:	Manual
6.Ultrasonic frequency:	2.4MHz	16.Product size:	177.6*215.4*224.3mm
7.Modes:	2 modes	17.Product weight:	833g
8.Level :	3 levles	18.Gift Box Dimension:	310*270*270mm
9.Function:	Cool mist and warm steam	19.Gross Weight:	1.72kg
10.Water tank capacity:	350ml	20.Qty per Carton	

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

PART 03

FACIAL CLEANSING BRUSH

Red & Blue Light Facial Cleansing Device @BM605

- Constant 42°C silicon brush, sound wave vibration remove oil.
- Red light tenders skin and blue light diminish inflammation.
- EMS micro-current help better absorption of nutrition input.
- Silicon brush hair diameter 0.5mm.
- Imported food-grade silicon materials from American DowCorning.

1.Product name:	Facial Cleansing Beauty Device	12.Waterproof rate:	IPX7
2.Product number:	BM605	13.Certificate:	ISO9001/BSCI
3.Input voltage:	DC 3.7V/350mA	14.Switch Mode:	On/off/adjust
4.Rated power:	2W (Max)	15.Auto shut off:	6 minutes
5.Lithium battery:	1000mAh	16.Product size:	73×71×30mm
6.Charging time:	5 Hours	17.Product weight:	140g
7.Battery life:	2 hours	18.Gift Box Dimension:	250*256*60mm
8.Adjustments:	3 modes(Red/Blue/EMS micro-current)	19.Gross Weight:	420g
9.LED lights:	Red/Blue	20.Qty per Carton:	48pcs
10.Materials:	Silica Gel, PC, ABS, Stainless-steel	21.Carton Size:	630×345×395mm
11.Key features:	Cleansing/Lifting/Rejuvenating	22.Carton Weight:	19.2kg

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Warm Sonic Facial Cleansing Device @BM606

- Cute metal face design attracts all girls to love it
- Unique metal face promotes the absorption of essence
- 42°C warmth experience help better absorption of nutrition input
- Silicon brush hair diameter 0.5mm and sound wave vibration
- Imported food-grade silicon materials from American DowCorning

1.Product name:	Facial Cleansing Beauty Device	11.Key features:	Cleansing/Lifting/Rejuvenating
2.Product number:	BM606	12.Waterproof rate:	IPX7
3.Input voltage:	DC 3.7V/350mA	13.Certificate:	ISO9001/BSCI
4.Rated power:	2W (Max)	14.Switch Mode:	On/off/adjust
5.Lithium battery:	1000mAh	15.Auto/Manual:	Manual
6.Charging time:	5 Hours	16.Product size:	74×71×32mm
7.Battery life:	2 hours	17.Product weight:	140g
8.Adjustments:	8 modes	18.Gift Box Dimension:	103*135*46mm
9.Main function:	Vibration/42°C warmth	19.Gross Weight:	0.162kg
10.Materials:	Silica Gel, PC, ABS, Stainless-steel	20.Qty per Carton	150pcs
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Facial Cleansing Beauty Device @BM119

- Two modes of heating or w/o heating, and it is with a wireless charger
- Heating Function: Speeds up the opening process of pores for fast clean
- Six Intensities: Provides a suitable intensity for each skin type
- Handle Design: Provides firm grip and comfortable using experience
- IPX7 Waterproof: Whole body waterproof design for safe use

1.Product name:	Facial Cleansing Brush	11.Key features:	Cleansing/Heating/Vibration
2.Product number:	BM119	12.Waterproof rate:	IPX7
3.Input voltage:	DC 5V/1A	13.Certificate:	FDA/FCC/CE/ROHS
4.Rated power:	3.5W	14.Switch Mode:	On/off/adjust
5.Lithium battery:	800mAh	15.Auto/Manual:	Manual
6.Charging time:	5 Hours	16.Product size:	146×54×30mm/133×41×21mm
7.Battery life:	2 hours	17.Product weight:	145g
8.Adjustments:	2 modes with 6 vibrating frequencies	18.Gift Box Dimension:	162×120×37mm
9.Charging mode:	wireless	19.Gross Weight:	0.215kg
10.Materials:	ABS+PC+Silicone	20.Qty per Carton	100pcs

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Electric Facial Cleansing Brush @BM5000

- 2 kinds of adjustable speeds for deep cleaning
- Automatic timer at 20s, automatic shut off at 120s
- 2 replaceable brush heads, the ultra-soft brush does not harm the skin
- IPX 7 waterproof rate, USB charging design
- Ergonomic design fits hand curve perfectly

1.Product name:	Electric Facial Cleansing Brush	11.Key features:	Cleansing
2.Product number:	BM5000	12.Waterproof rate:	IPX7
3.Operating voltage:	3.7V	13.Certificate:	
4.Rated power:	2.2W	14.Product size:	17.0*6.48cm
5.Product noise:	≤65dB	15.Product weight:	132g
6.Charging port:	Micro USB	16.Gift Box Dimension:	19*13*5.2cm
7.Battery capacity:	800mAh	17.Gross Weight:	251g
8.Adjustments:	2intensities	18.Qty per Carton:	54pcs
9.Replaceable brush heads:	Two	19.CartonDimension:	50X40X42cm
10.Materials:	ABS	20.CartonWeight:	14.354kg

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Silicone Facial Cleansing Brush @BM5100

- Sonic vibration, optimal frequency, hands do not go numb
- Soft and skin-friendly silicone, gentle cleansing, bacteria-resistant
- Independent dual-zone design cleanses different areas of the face
- Double brush head design, suitable for all skin types
- Positive ions deep cleansing, negative ions nutrition toning

1.Product name:	Silicone Facial Cleansing Brush	11.Key features:	Cleansing/massage
2.Product number:	BM5100	12.Waterproof rate:	IPX7
3.Operating voltage:	3.7V	13.Certificate:	
4.Charging voltage:	5V 1A	14.Product size:	11.39*5.54*4.2cm
5.Rated power:	1.5W	15.Product weight:	110g
6.Vibration frequency:	200Hz	16.Gift Box Dimension:	9.0*15.0*7.0cm
7.Charging port:	Micro USB	17.Gross Weight:	270g
8.Battery capacity:	400mAh	18.Qty per Carton:	60pcs
9.Function:	Vibration,ion(+),ion(-),warm compress	19.CartonDimension:	47.5*37.5*38.2cm
10.Materials:	Silica Gel, ABS, Plastic	20.CartonWeight:	17.2kg

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Electric Facial Cleansing Brush @BM5200

- Remove excess oil and blackheads from pores, refine pores
- Two speeds with forward and reverse rotations.
- Wireless inductive charging with no metal contacts
- IPX 7 waterproof rate, it can be rinsed or immersed.
- Super soft brush, gently remove dirt and grime.

1.Product name:	Electric Facial Cleansing Brush	11.Key features:	Cleansing
2.Product number:	BM5200	12.Waterproof rate:	IPX7
3.Operating voltage:	3.7V	13.Certificate:	
4.Rated power:	2.2W	14.Product size:	18*5*4.5cm
5.Product noise:	≤65dB	15.Product weight:	215g
6.Working hours:	2H	16.Gift Box Dimension:	20.5*16*6.8cm
7.Battery capacity:	600mAh	17.Gross Weight:	343g
8.Adjustments:	2intensities	18.Qty per Carton:	32pcs
9.Replaceable brush heads:	Two	19.CartonDimension:	50*40*42cm
10.Materials:	ABS, PC	20.CartonWeight:	11.776kg
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Facial Cleansing Brush with UVsterilization @BM5300

- 3 kinds of adjustable speeds and 3 types brush heads for different skin types.
- 2000 pcs 0.05mm silk-grade bristles remove skin impurities
- 5200 rpm sonic vibration gets rid of deep dirt.
- UV sterilization and dustproof cover effectively remove bacteria and dust
- IPX7 waterproof can be used in the bathroom.

1.Product name:	Electric Facial Cleansing Brush	11.Key features:	Cleansing
2.Product number:	BM5300	12.Waterproof rate:	IPX7
3.Operating voltage:	3.7V	13.Certificate:	
4.Working current:	0.2A	14.Product size:	24.6*36*160mm
5.Rated power:	1W	15.Product weight:	273g
6.Vibration frequency:	200Hz	16.Gift Box Dimension:	203*123*35mm
7.Materials:	ABS	17.Gross Weight:	500g
8.Battery capacity:	400mAh	18.Qty per Carton:	30pcs
9.Charging time:	5H	19.CartonDimension:	525*375*375mm
10.Usage time:	2H	20.CartonWeight:	16.3KG
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

PART 04

HAIR REMOVAL DEVICE

IPL Hair Removal Device @BM006

- Effective & Permanent Hair Removal
- Gentle & painless hair removal
- It comes with 5 adjustable treatment levels
- Two flash modes applied to different parts of the body
- Portable and easy to use

1.Product name:	IPL Hair Removal	11.Color:	White
2.Product number:	BM006	12.Energy levels:	5 light levels
3.Input Voltage:	AC100-240V	13.Certificates:	CE/FCC
4.Output Voltage:	12V 3A	14.Auto/Manual:	Auto/Manual flash
5.Power:	36W	15.Display:	LCD
6.Flashes:	990,000 pulses	16.Product size:	150*70*40mm
7.Treatment area:	3cm ²	17.Product weight:	180g
8.Energy Frequency:	1.5-3.9J/cm ²	18.Gift Box Dimension:	170*120*93mm
9.Light wave length:	170-1100nm	19.Gross Weight:	550g
10.Lamp Tube:	Quartz bulb	20.Qty per Carton	32pcs(500*360*400cm)18.5kg
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

IPL Hair Removal Device @BMA05

- Effective & Permanent Hair Removal
- Gentle & painless hair removal
- It comes with 5 adjustable treatment levels
- Unlimited effective flashes: long service life
- Portable and easy to use

1.Product name:	IPL Hair Removal	11.Cooling compress:	No
2.Product number:	BMA05	12.Energy levels:	5 light levels
3.Light Source:	Pulsed light	13.Function:	Hair Removal, Skin Rejuvenation
4.Light energy:	2.0-5.0J/cm ²	14.Auto/Manual:	Auto/Manual flash
5.Power:	36W	15.Product size:	170*65*20mm
6.Flashes:	Unlimited	16.Product weight:	210g
7.Light exit area:	1.4/3.6cm ²	17.Gift box dimension:	210*210*50mm
8.Light energy :	2.0-5.0J/cm ²	18.Gross weight:	1.88kg
9.Color:	White/Green	19.Carton size:	460*435*225mm
10.Lamp Tube:	Glass	20.Carton weight:	13.35kg
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Ice Compress IPL Hair Removal Device @BMA08

- The popular IPL technology with long service life of 600,000 flashes
- It comes with 9 adjustable treatment levels
- With 2 operation modes and 2 heads for multifunctional uses
- Simple and easy to operate for any one
- Cold compress makes the treatment comfortable and painless

1.Product name:	IPL Laser Hair RemovalDevice	11.Cooling compress:	Yes
2.Product number:	BMA08	12.Energy levels:	9 light levels
3.Input:	AC 100V-240V 50/60Hz	13.Certificates:	CE/FCC
4.Voltage:	24V, 1.5A	14.Auto/Manual:	Auto/Manual flash
5.Rated power:	48W	15.Product size:	200*55*33mm
6.Flashes:	600,000pulses	16.Product weight:	300g
7.Treatment area:	3.2cm ²	17.Gift box dimension:	250*250*50mm
8.Energy Frequency:	6-18J/cm ²	18.Gross weight:	1.15kg
9.Light wave length:	530-1200nm	19.Carton size:	530*340*280mm
10.Lamp Tube:	Quartz bulb	20.Carton weight:	14.7kg(12pcs)

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

IPL Hair Removal Device @BMA09

- ❑ Effective & Permanent Hair Removal
- ❑ It comes with 5 adjustable treatment levels
- ❑ Two flash modes applied to different parts of the body
- ❑ Treatment area of 4cm²
- ❑ Portable and easy to use

1.Product name:	IPL Hair Removal	11.Energy levels:	5 light levels
2.Product number:	BMA09	12.Certificates:	CE/FCC
3.Input Voltage:	100-240VAC 50/60Hz	13.Auto/Manual:	Auto/Manual flash
4.Output Voltage:	24V 1.5A	14.Display:	LCD
5.Power:	48W	15.Product size:	170*65*20mm
6.Flashes:	999,999pulses	16.Product weight:	210g
7.Treatment area:	4cm ²	17.Gift Box Dimension:	210*210*50mm
8.Energy Frequency:	6-14J/cm ²	18.Gross Weight:	0.88Kg
9.Light wave length:	480-1150nm	19.Carton size:	460*435*225mm
10.Lamp Tube:	Glass bulb	20.Carton weight:	13.35kg(18pcs)
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Ice Compress IPL Hair Removal Device @BMA10

- The popular IPL technology with long service life of 999,999 flashes
- It comes with 9 adjustable treatment levels
- Two flash modes applied to different parts of the body
- Cold compress makes the treatment comfortable and painless
- Fashion design and LCD touch screen

1.Product name:	Ice Compress IPL Hair Removal	11.Cooling compress:	Yes
2.Product number:	BMA10	12.Energy levels:	9 light levels
3.Input Voltage:	100-240VAC 50/60Hz	13.Certificates:	CE/FCC
4.Output Voltage:	24V 1.5A	14.Auto/Manual:	Auto/Manual flash
5.Power:	48W	15.Product size:	200*55*33mm
6.Flashes:	999,999pulses	16.Product weight:	300g
7.Treatment area:	3.2cm ²	17.Gift box dimension:	250*250*50mm
8.Energy Frequency:	6-18J/cm ²	18.Gross weight:	1.15kg
9.Light wave length:	530-1200nm	19.Carton size:	530*340*280mm
10.Lamp Tube:	Quartz bulb	20.Carton weight:	14.7kg(12pcs)
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Ice Compress IPL Hair Removal Device @BM100

- ◆ The most efficient IPL device for permanent hair reduction.
- ◆ 9 adjustable levels suitable for different, sensitive skins.
- ◆ Two flash modes for different parts of the body.
- ◆ Cold compress makes the treatment comfortable and painless.
- ◆ The ergonomically designed shape and lightweight is convenient to hold.

1.Product name:	Ice Compress IPL Hair Removal Device	11.Cooling compress:	Yes
2.Product number:	BM100	12.Color:	White/green/pink
3.Input:	AC 100V-240V 50/60Hz	13.Certificates:	CE/FCC
4.Voltage:	24V, 1.5A	14.Auto/Manual:	Auto/Manual flash
5.Rated power:	48W	15.Product size:	216*68*48mm
6.Flashes:	600,000	16.Product weight:	281g
7.Treatment area:	3cm ²	17.Gift box dimension:	332*262*68mm
8.Energy levels:	9 levels	18.Gross weight:	1.15kg
9.Light wave length:	510-1200nm	19.Carton size:	532*435*360mm
10.Lamp Tube:	Quartz bulb	20.Carton weight:	14.7kg(12pcs)

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

IPL Hair Removal Device @BM200

- The most efficient IPL device for permanent hair reduction.
- 6 adjustable levels suitable for different, sensitive skins.
- Auto modes and manual mode for full body use
- 999,900 Flashes is more than enough for a lifetime use
- The ergonomically designed shape and lightweight is convenient to hold.

1.Product name:	IPL Hair Removal Device	11.Function:	Hair removal
2.Product number:	BM200	12.Color:	White/green/pink
3.Input:	AC 100V-240V 50/60Hz	13.Certificates:	CE/FCC
4.Voltage:	24V, 1.5A	14.Auto/Manual:	Auto/Manual flash
5.Rated power:	36W	15.Product size:	195*70*45mm
6.Energy:	1.6-5 J/cm ²	16.Product weight:	260g
7.Treatment area:	3cm ²	17.Gift box dimension:	240*240*85mm
8.Energy levels:	6levels	18.Gross weight:	1.1kg
9.Light wave length:	510-1200nm	19.Carton size:	520*510*270mm
10.Lamp Tube:	Quartz bulb	20.Carton weight:	13.3kg(12pcs)

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Ice Compress IPL Hair Removal Device @BM500

- ◆ IPL technology reach hair follicles directly to achieve permanent hair removal
- ◆ 9 adjustable levels suitable for different skin tones and body parts.
- ◆ Auto modes and manual mode for full body use
- ◆ Cold compress makes the treatment comfortable and painless
- ◆ The ergonomically designed shape and lightweight is convenient to hold

1.Product name:	Ice Compress IPL Hair Removal Device	11.Cooling compress:	Yes
2.Product number:	BM500	12.Color:	White
3.Input:	AC 100V-240V 50/60Hz	13.Certificates:	CE/FCC
4.Voltage:	24V, 1.5A	14.Auto/Manual:	Auto/Manual flash

6.Flashes:	500,000 pulses	16.Product size:	183*69*430mm
7.Treatment area:	3.2cm ²	17.Product weight:	284g
8.Energy Frequency:	5-13J/cm ²	18.Gift Box Dimension:	
9.Light wave length:	550-1100um	19.Gross Weight:	500g
10.Lamp Tube:	Quartz bulb	20.Qty per Carton	
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

PART 06

HAIR STRAIGHTENER

Wireless Hair Straightener @BM007

- Wireless rechargeable design, easy carry and store
- 30s fast heating up, constant temperature hair care
- 4800mAh battery will last 45 minutes using time at a fully charge
- 3 temperature settings suitable for all hair
- Unique upper cover & safety lock design

1.Product name:	Wireless Hair Straightener	11.Hairstyle Making:	Hair straighter/curler
2.Product number:	BM007	12.Certificate:	CE FCC ROHS PSE
3.Rated voltage:	DC 5V 2A	13.Switch mode:	On/off/adjust
4.Lithium battery:	4800mAh	15.Display:	LED Indicator Light
5.Heater:	MCH	16.Product size:	Ø35*H 203 /mm
6.Temperature level:	3 levels	17.Product weight:	257.5g
7.Temperature range:	160°C-200°C	18.Gift box dimension:	
8.Charge port::	Type-C	19.Gross weight:	
9.Charge time:	2.5-3h	19.Carton size:	
10.Battery life::	45 minutes	20.Carton Carton:	

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Wireless Hair Straightening Brush @BM009

- Wireless rechargeable hair straightening brush
- Uniformly distributed silicone heat dissipation holes to avoid burns
- 4 temperature settings can be suitable for all hair
- Large capacity battery, 60 minutes long battery life
- Easy operation and diversified hair styling

1.Product name:	Wireless Hair StraightenerBrush	11.Hairstyle Making:	Hair straighter/curler
2.Product number:	BM009	12.Certificate:	CE FCC ROHS PSE
3.Rated voltage:	DC 5V 2A	13.Switch mode:	On/off/adjust
4.Lithium battery:	5000mAh	15.Display:	LED Indicator Light
5.Heater:	Graphene heating	16.Product size:	Ø35.5*H 236 /mm
6.Temperature level:	4 levels	17.Product weight:	241.3g
7.Temperature range:	140°C-200°C	18.Gift box dimension:	
8.Charge port::	Type-C	19.Gross weight:	
9.Charge time:	2.5-3h	19.Carton size:	
10.Battery life::	50 minutes	20.Carton Carton:	
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Rechargeable Hair Straightener @BM189

- ◆ 3 temperature settings suitable for all hair
- ◆ Automatic constant temperature hair care
- ◆ High-temperature resistant material for safety protection
- ◆ Large capacity battery, 60 minutes long battery life
- ◆ Wireless rechargeable design, easy carry and store

1.Product name:	Wireless Hair Straightener	11.Hairstyle Making:	Hair straighter/curler
2.Product number:	BM189	12.Certificate:	CE FCC ROHS PSE
3.Rated voltage:	DC 5V 2A	13.Switch mode:	On/off/adjust
4.Lithium battery:	5000mAh	15.Display:	LED Indicator Light
5.Heater:	Pi heating film	16.Product size:	235mm×37mm×38mm
6.Temperature level:	3 levels	17.Product weight:	241.3g
7.Temperature range:	160°C-200°C	18.Gift box dimension:	240g
8.Charge port::	Type-C	19.Gross weight:	
9.Charge time:	2.5-3h	19.Carton size:	
10.Battery life::	50 minutes	20.Carton Carton:	

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Rechargeable Hair Straightening Brush @BM1142

- ❑ Wireless rechargeable hair straightening brush
- ❑ Anti-scald design: no worry to use
- ❑ 5 temperature settings can be suitable for all hair
- ❑ Automatic power off: 30 minutes auto shut-off
- ❑ Easy operation and diversified hair styling

1.Product name:	Rechargeable Hair Straightener Brush	11.Hairstyle Making:	Comb/Straight
2.Product number:	BM1142	12.Certificate:	CE FCC ROHS PSE
3.Rated Voltage:	DC 5V/2A	13.Switch Mode:	On/off/adjust
4.Lithium battery:	2600mAh	14.Auto shut off:	30 minutes
5.Heater:	MCH	15.Display:	LED
6.Heating plate size:	60mm×10mm×1.3mm	16.Product size:	199×43×43mm
7.Temperature range:	100°C-220°C	17.Product weight:	
8.Power Cord:	USB, Type-C	18.Gift Box Dimension:	
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	
10.Heating plate materials:	Aluminum	20.Qty per Carton	

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Rechargeable Hair Straightening Brush @BM1177

- Wireless rechargeable hair straightening brush
- 360 anti scald & outer protection brush teeth design
- Wireless portable large capacity Type-c rechargeable model
- PET high temperature resistant material for safety protection:
- 7x4800mAh lithium batteries, heating fast 90minute super long stand by mode

1.Product name:	Rechargeable Hair Straightening Brush	11.Hairstyle Making:	Comb/Straight
2.Product number:	BM177	12.Certificate:	
3.Rated Voltage:	DC 5V/2A	13.Switch Mode:	On/off/adjust
4.Lithium battery:	2X4600mAh	14.Auto shut off:	
5.Heater:	MCH	15.Display:	LED
6.Heating plate size:	86mm×36mm	16.Product size:	200 X46 X43mm
7.Temperature range:	120°C-200°C	17.Product weight:	
8.Power Cord:	USB, Type-C	18.Gift Box Dimension:	
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	
10.Heating plate materials:	Aluminum	20.Qty per Carton	

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Rechargeable Hair Straightening Brush @BM1122

- Safety of Using Cordless Hair Straightener Brush
- Rapid Heating Wireless Straightening Hair Comb
- Easy To Use Wireless Hair Straightener Brush
- Creative Gift Ideas Electric Lithium Battery Comb For Man and Women
- Long-lasting Beard Straightening Brush and Comb

1.Product name:	Hair Straightening Brush	11.Hairstyle Making:	Comb/Straight/curl
2.Product number:	BM1122	12.Certificate:	CE/ROHS/FCC/PSE
3.Rated Voltage:	DC 5V/2A	13.Switch Mode:	On/off/adjust
4.Lithium battery:	2600mAh	14.Auto shut off:	30 minutes
5.Heater:	MCH Ceramics Heater	15.Display:	Green LED
6.Heating plate size:	75×26mm	16.Product size:	200x46x36mm
7.Temperature range:	160/180/200℃	17.Product weight:	0.16kg
8.Power Cord:	5V/2A DC TYPE-C	18.Gift Box Dimension:	250x80x59mm
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	0.23kg
10.Heating plate materials:	Aluminum	20.Qty per Carton	30pcs
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Rechargeable Hair Straightening Brush @BM1137

- ◆ Negative ion function to prevent static electricity.
- ◆ Anti-scalding alloy 3D brush teeth design, device fireproof material.
- ◆ One-touch operation, 5 heat settings for different hair types.
- ◆ Cute and fashion design, wireless charger base.
- ◆ Wireless charging design, easy to carry

1.Product name:	Rechargeable Hair Straightening Brush	11.Hairstyle Making:	Comb/Straight
2.Product number:	BM1137	12.Certificate:	CE FCC ROHS ETL
3.Rated Voltage:	DC 5V/2A	13.Switch Mode:	On/off/adjust
4.Lithium battery:	2X2600mAh	14.Auto shut off:	30 minutes
5.Heater:	MCH	15.Display:	LED
6.Heating plate size:	60mm×10mm×1.3mm	16.Product size:	91×91×255mm
7.Temperature range:	120°C-200°C	17.Product weight:	
8.Power Cord:	USB, Type-C	18.Gift Box Dimension:	
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	
10.Heating plate materials:	Aluminum	20.Qty per Carton	
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Ionic Hair Straightening Brush @BM102

- ❑ Ionic generator makes hair smooth and silky
- ❑ Negative ion water moisturizes hair
- ❑ 3D brush teeth are comfortable and anti-scald
- ❑ 15 temperature settings can be suitable for all hair
- ❑ Automatic power off: 60 minutes auto shut-off

1.Product name:	Ionic hair straightening brush	11.Hairstyle Making:	Comb/Straight
2.Product number:	BM102	12.Certificate:	CE FCC ROHS ETL
3.Rated Voltage:	100V/240V 50-60Hz	13.Switch Mode:	On/off/adjust
4.Rated power:	50W	14.Auto shut off:	60 minutes
5.Heater:	MCH	15.Display:	LED
6.Heating plate size:	102mm×47mm	16.Product size:	263×44×42mm
7.Temperature range:	80°C-230°C	17.Product weight:	
8.Power Cord:	360° Swivel Cord	18.Gift Box Dimension:	
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	
10.Heating plate materials:	Aluminum	20.Qty per Carton	
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Ionic Hair Straightening Brush @BM105E

- Negative ion water moisturizes hair
- Anti-scald design: no worry to use
- 3D brush teeth are comfortable and anti-scald
- 6 temperature settings can be suitable for all hair
- Automatic power off: 60 minutes auto shut-off

1.Product name:	Ionic Hair Straightener Brush	11.Hairstyle Making:	Comb/Straight
2.Product number:	BM105E	12.Certificate:	CE FCC ROHS ETL
3.Rated Voltage:	100V/240V 50-60Hz	13.Switch Mode:	On/off/adjust
4.Rated power:	45W	14.Auto shut off:	60 minutes
5.Heater:	PTC	15.Display:	LED
6.Heating plate size:	84mm×38mm	16.Product size:	238.2×60×46.7mm
7.Temperature range:	120°C-220°C	17.Product weight:	
8.Power Cord:	360° Swivel Cord	18.Gift Box Dimension:	
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	
10.Heating plate materials:	Aluminum	20.Qty per Carton	
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Mini Hair Straightening Brush @BM106

- 30s Fast Heat Up & 2 Adjustable Temperature
- Anti-scald and safety design with overheat protection & auto shutdown
- Anti-static & Quick and Easy to Style hair
- Small and exquisite, easy to carry
- Ergonomic, portable design

1.Product name:	Mini Hair Straightening Brush	11.Hairstyle Making:	Comb/Straight/curl
2.Product number:	BM106	12.Certificate:	CE/ROHS/FCC/PSE
3.Rated Voltage:	100V-240V 50/60Hz	13.Switch Mode:	On/adjust
4.Power:	30W	14.Auto shut off:	60minutes
5.Heater:	PTC	15.Power cord length:	1.8m
6.Heating plate diameter:	16-20mm	16.Product size:	180×43×38mm
7.Temperature range:	180° C(blue) / 210° C(green)	17.Product weight:	0.235kg
8.Power Cord:	Fixed cord	18.Gift Box Dimension:	250×80×50mm
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	0.336kg
10.Plate:	Ceramic Coating	20.Qty per Carton	25pcs
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

2-in-1 Beard and Hair Straightener Brush @BM1130

- ◆ Brush and straighten in one step
- ◆ High density and narrow comb teeth
- ◆ A bonus heat-resistant silicone coat
- ◆ Five less-damaging temperature settings
- ◆ Sunken power button and 30mins auto shut off

1.Product name:	Beard and Hair Straightener Brush	11.Hairstyle Making:	Comb/Straight/curl
2.Product number:	BM1130	12.Certificate:	CE/ROHS/FCC/PSE
3.Rated Voltage:	100V/240V 50-60Hz	13.Switch Mode:	On/off/adjust
4.Rated power:	19W	14.Auto shut off:	30 minutes
5.Heater:	PTC	15.Display:	LCD
6.Heating plate size:	74.5x19mm	16.Product size:	195×32×27mm
7.Temperature range:	100°C-220°C, 6 different settings	17.Product weight:	0.208kg
8.Power Cord:	Fixed cord	18.Gift Box Dimension:	250×80×53mm
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	0.282kg
10.Heating plate materials:	Aluminum	20.Qty per Carton	25pcs
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Ionic Hair Straightener Brush @BM1119

- ❑ MCH Heating can limit the temperature automatically
- ❑ With fast heating response time and good heat distribution
- ❑ Advanced Ionic Technology gives you a better experience in hair repairing
- ❑ Perfect hair styling effect with elaboration and bright
- ❑ The materials are high-temperature resistant and safer

1.Product name:	Ionic Hair Straightener Brush	11.Hairstyle Making:	Comb/Straight/curl
2.Product number:	BM1119	12.Certificate:	CE FCC ROHS ETL
3.Rated Voltage:	100V/240V 50-60Hz	13.Switch Mode:	On/off/adjust
4.Rated power:	60W	14.Auto shut off:	60 minutes
5.Heater:	MCH	15.Display:	LCD
6.Heating plate size:	103*53mm	16.Product size:	270mm×60mm×56mm
7.Temperature range:	80°C-230°C	17.Product weight:	0.385kg
8.Power Cord:	360°swivel cord	18.Gift Box Dimension:	350×80×53mm
9.Housing materials:	PET+Fiber(High Temp Composites)	19.Gross Weight:	0.530kg
10.Heating plate materials:	Aluminum	20.Qty per Carton	25pcs
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Ion Hair Straightener Brush @BM135

- Anti-scalding alloy brush teeth
- 5-speed temperature LED indication (140/160/180/200/220 °C)
- 360° power cord with wall hanging hole
- Grade V1 fireproof material of the whole machine
- Negative ions can prevent static

1.Product name:	Ion Hair Straightener	11.Hairstyle Making:	Comb/Straight/curl
2.Product number:	BM135	12.Color:	Black,green or customized
3.Rated Voltage:	AC100-240V	13.Certificate:	
4.Rated Power:	36W	14.Product size:	265*45.7*48.5mm
5.Rate Frequency:	50/60Hz	15.Product weight:	350g
6.Temperature setting:	5 Levels	16.Gift Box Dimension:	320*74*72.5mm
7.Temperature Range:	140 -220	17.Gross Weight:	640g
8.Adjustments:	3 levels	18.Qty per Carton:	
9.Heating Time:		19.CartonDimension:	
10.Heating Plate:	PTC	20.CartonWeight:	

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Infrared & Ionic Hair Straightening Brush @BM102R

- Anionic water moisturizes hair
- The hair will not be damaged by even heating
- 3D brush teeth are comfortable and anti-scald
- 15 temperature settings can be suitable for all hair
- Automatic power off: 60 minutes auto shut-off

1.Product name:	Infrared & Ionic Hair Straightening Brush	11.Hairstyle Making:	Comb/Straight

Rechargeable Beard Straightening Brush @BM509

- Wireless charging and fold design
- PTC fast heating technology instantly sets the hairstyle
- High-density teeth designed for even heat distribution
- Anti-scald 3D brush teeth design, no worry to use
- Small and exquisite, easy to carry

1.Product name:	Rechargeable Beard Straightening Brush	11.Hairstyle making:	Comb/Straight
2.Product number:	BM509	12.Certificate:	CE FCC ROHS PSE
3.Rated voltage:	3.7V	13.Switch Mode:	On/off/adjust
4.Power:	20w	14.Product size:	120*58*33mm
5.Lithium battery:	4000mAH	15.Product weight:	195g
5.Heater:	PTC	16.Gift box dimension:	95*60*165mm
7.Charging time:	4-6 hours	17.Gift box weight:	360g
8.Usage time:	40-60 minutes	18.Carton Dimension:	50.5*35*31.5cm
9.Temperature range:	180/200°C	19.Gross Weight:	18kg
10.Materials:	PPS+PT	20.Qty per Carton	50pcs

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Rechargeable Beard Straightening Brush @BM510

- ❑ Quick heating for instant hair styling
- ❑ High-capacity battery for up to 45 mins at one time.
- ❑ Anti-scalding 3D brush teeth design
- ❑ Compact and lightweight design for maximum portability
- ❑ Portable cordless hair straightener, easy to carry

1.Product name:	Rechargeable hair straightening brush	11.Hairstyle making:	Comb/Straight
2.Product number:	BM510	12.Certificate:	CE FCC ROHS PSE
3.Rated voltage:	3.7V	13.Switch Mode:	On/off/adjust
4.Power:	25w	14.Product size:	225*44*42mm
5.Lithium battery:	4000mAH	15.Product weight:	204g
5.Heater:	PTC	16.Gift box dimension:	89*54*255mm
7.Charging time:	4-6 hours	17.Gift box weight:	415g
8.Usage time:	40 minutes	18.Carton Dimension:	46.5*27*28.5cm
9.Temperature range:	160/180/200°C	19.Gross Weight:	10kg
10.Materials:	PPS+PET	20.Qty per Carton	25pcs

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

PART 06

HAIR DRYER

High Speed Hair Dryer @BM-HD01

- 120000 rpm brushless motor with 22m/s wind speed to rival with Dyson
- 100 million negative ion generator to prevent static electricity fuzziness
- 66db noise, lower than Dyson's 79db
- Fashion design with led ring gear display
- NTC temperature control sensor to protect hair

1. Product name:	High Speed Hair dryer	11.Key features:	Hair dryer
2. Product number:	BM-HD001	12.Power cord: 1.8:	1.8m
3. Input voltage:	220V	13.Certificate:	3C/CE/ROHS
4. Rated power:	1500W(Max)	14.Product size:	76.5*98.5*255mm
5. Gear:	3 gears for wind speed or heat	15.Product weight:	550g
6. Materials:	ABS	16.Gross weight:	875g
7. Noise:	68db	17.Gift Box Dimension:	129*324*87mm
8. Wind speed:	22 m/s	18.Carton weight:	21.5kg
9.Brushless motor:	115000 rpm	19.Carton Dimension:	57cm*34cm*47.5cm
10.Negative ion:	100 million	20.Qty per Carton	20pcs
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

High Speed Hair Dryer @BM-HD02

- ◆ 110000 rpm brushless motor with 23m/s wind speed to rival with Dyson
- ◆ 200 million negative ion generator to prevent static electricity fuzziness
- ◆ 59db noise, lower than Dyson's 79db
- ◆ Fashion design with screen display
- ◆ Built-in overheating protection to protect hair

1. Product name:	High Speed Hair dryer	11.Key features:	Hair dryer
2. Product number:	BM-HD002	12.Auto/Manual:	Manual
3. Rated voltage:	220V	13.Certificate:	3C/ROHS/CE
4. Rated power:	1600W	14.Product size:	278x89.2x68mm
5. Gear:	2 gears for wind speed	15.Product weight:	544g
6. Modes:	5 modes	16.Gross weight:	
7. Noise:	59db	17.Gift Box Dimension:	
8. Wind speed:	23 m/s	18.Carton weight:	
9.Brushless motor:	110000 rpm	19.Carton Dimension:	
10.Negative ion:	200 million	20.Qty per Carton	

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

High Speed Hair Dryer @BM-HD03

- ❑ 110000 rpm brushless motor with 22m/s wind speed
- ❑ 200 million negative ion generator to prevent static electricity fuzziness
- ❑ One-touch operation, 4 settings for different needs
- ❑ Exquisite design in details: ergonomic design for comfortable grip
- ❑ 60s soft and fast drying

1. Product name:	High Speed Hair dryer	11.Key features:	Hair dryer
2. Product number:	BM-HD003	12.Auto/Manual:	Manual
3. Rated voltage:	220V	13.Certificate:	3C FCC UL859 CE ROHS PSE
4. Rated power:	1400W	14.Product size:	285x46x173mm
5. Product line length	3m	15.Product weight:	500g
6. Modes:	4 modes	16.Gross weight:	1350g
7. Noise:	78db	17.Gift Box Dimension:	265x240x88mm
8. Wind speed:	22 m/s	18.Carton weight:	
9.Brushless motor:	110000 rpm	19.Carton Dimension:	
10.Negative ion:	200 million	20.Qty per Carton	

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

High Speed Hair Dryer @BM-HD04

- ❑ 110000 rpm brushless motor with 22m/s wind speed
- ❑ 200 million negative ion generator to prevent static electricity fuzziness
- ❑ One-touch operation, 3 settings for different needs
- ❑ Exquisite design in details: ergonomic design for comfortable grip
- ❑ Low temperature and quick drying

1. Product name:	High Speed Hair dryer	11.Key features:	Hair dryer
2. Product number:	BM-HD004	12.Auto/Manual:	Manual
3. Rated voltage:	220V	13.Certificate:	3C FCC UL859 CE ROHS PSE
4. Rated power:	1400W	14.Product size:	278x89.2x68mm
5. Product line length	3m	15.Product weight:	295g
6. Modes:	4 modes	16.Gross weight:	1350g
7. Noise:	70db	17.Gift Box Dimension:	265x240x88mm
8. Wind speed:	22 m/s	18.Carton weight:	
9.Brushless motor:	110000 rpm	19.Carton Dimension:	
10.Negative ion:	200 million	20.Qty per Carton	
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

PART 07

BLACKHEAD REMOVER

Blackhead Removal Device (Warm/Cool) @BM92

- Constant temperature 42°C open pores, soften the cuticle and blackhead.
- Vacuum negative pressure 4 suction gears, deeply remove blackheads
- Ice feeling temperature 17°C safely shrink pores from intrusions
- Rotary 360° torsion head is more convenient to use
- Food-grade PC skin-friendly crystal suction head

1.Product name:	Blackhead Removal (Warm/Cool)	11.Vacuum negative pressure:	0.06MPa
2.Product number:	BM92	12.Key features:	Cleansing/Firming
3.Input voltage:	DC 5V/500mA	13.Certificate:	ROHS/EMC/FCC/ISO9001
4.Rated power:	3W (Max)	14.Switch Mode:	On/off/adjust
5.Lithium battery:	1200 mA	15.Auto/Manual:	Manual
6.Charging time:	3 Hours	16.Product size:	186.5*38*48mm
7.Battery life:	40 minutes	17.Product weight:	197g
8.Adjustments:	3 modes	18.Gift Box Dimension:	201*183*75mm
9. Function :	Warm(45°C) /Cool(17°C)	19.Gross Weight:	634g
10.Materials:	ABS/PC/Aluminum/silica gel	20.Qty per Carton	25pcs

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

Ultra-micro Bubble Blackhead Remover @BMT001

- Deep pore cleansing, oil reduction and skin hydration
- 3 replaceable probes meet your requirement
- 3 intensity levels for different skin types
- Water circulation design, separated and visible water tank
- Exquisite design and portable

1.Product name:	Ultra-micro bubble blackhead remover	11.Key features:	Remove blackheads, clean pores,hydrate
2.Product number:	BMT001	12.Color:	White
3.Input voltage:	5V	13.Certificate:	CE/FCC/Rohs
4.Battery capacity:	900 mA	14.Product size:	210*43*43mm
5.Suction power:	Suction power	15.Product weight:	214g
6.Adjustment:	3 levels	16.Gift Box Dimension:	245*120*52mm
7.water tank capacity:	30 ML	17.Gross Weight:	445g
8.Plugs Type:	USB rechargeable	18.Qty per Carton:	32pcs
9.Replaceable heads:	Three	19.CartonDimension:	510*375*28
10.Materials:	ABS/silica gel	20.CartonWeight:	14.5kg

Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.

PART 08

OTHER DEVICE

Makeup Brush Cleaner@BM803

- ◆ Visualized body, cleaning process is clear to see
- ◆ Sonic vibration, deep cleaning
- ◆ Porous board: brushes can be placed at one time
- ◆ Handheld cleaning: suitable for various types of makeup brushes
- ◆ 5V direct plug-in continuous power supply

2.Product number:	Makeup Brush Cleaner	11.Functions:	Makeup Brush Cleaning
2.Product number:	BM803	12.Certificates	CE/FCC/ROHS
3.Rated current	1.5A	13.Color:	White or customized
4.Voltage:	5V	14.Product size:	90X90X160mm
5.Rated power:	8W	15.Product weight:	260g
6.Rotating speed:	7000rpm	16.Gift box dimension:	95X95X165mm
7.Application:	For Home Use	17.Gross weight:	330g
8.Charging time:	1 hour (approx.)	18.Qty per Carton:	50pcs
9.Working method:	Plug-in	19.Carton box size:	50X50X35cm
10.Materials:	ABS PC TPE	20.Carton box weight:	17.5kg
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.			

Fruit Facial Mask Making Machine @BMQ2

- ❑ Entirely natural mask keeps your tired skin lively and healthy.
- ❑ Face Steaming unclogs pores and promotes blood circulation.
- ❑ Automatic Facial mask making is Intelligent and humanized.
- ❑ DIY your personal various natural facial mask.
- ❑ The Hydrating effect is 10 times that of ordinary masks.

1.Product name:	Fruit Facial Mask Making Machine	11.Functions:	Detachable/Waterproof
2.Product number:	BMQ2	12.Working temperatur:	About 75 °C
3.Power rating:	200W	13.Certificates:	ISO9001
4.Rating voltage:	220V	14.Switch Mode:	On/off
5.Rating frequency:	60HZ	15.Auto/Manual:	Auto
6.Time to make a mask:	5-6mins	16.Product size:	128*128*165mm
7.Adjustments:	2 modes	17.Product weight:	1.25kgs
8.Main function:	Steaming /DIY facial mask	18.Gift Box Dimension:	235*200*205mm
9.Color:	White or customized	19.Gross Weight:	1.4kgs
10.Materials:	anti-fair PP/abs	20.Qty per Carton	12pcs
Remark: Due to the continuous improvement, the above parameters are subject to change without prior notice.
