OUR FACTORY

LIHAI EYELASH FACTORY

COMPANY PROFILE

Qingdao Lihai Eyelash Factory is the manufacturer and supplier of high-quality eyelashes products. we aim to manufacture the best quality products and offer the best private label OEM & ODM service. Our designers can design the style according to customers' needs and different fashion trends. With more than 10 years' manufacturing experiences.

we have exported five hundred types of eyelashes to Japan, Europe, USA, Australia, Canada, etc. Also, these lashes can be packaged with your own private logo and brand name. The main products are mink eyelashes, 3D mink eyelashes, eyelash extensions. Our products are fully handmade with natural looking and soft feeling. Dedicated to strict quality control and thoughtful customer service.

Our quality control department triple check one by one to make sure they are qualified then can be packed into boxes after disinfection by ultraviolet light. We are sincerely looking forward to developing long-term friendly and cooperative business relationships with friends all over the world.

Presto Glue

(With extremely fast drying time and longer bonding time)

A.Drying:1~2 Seconds
B.Lasting Time:5Weeks
C.Color:Black
D.Fumes & Irritation (Low 0~10 High):8
E.Viscosity(CPS):150~160
F.Volume:3g/5g/10g
G.Ingredients:Ethyl Cyanoacrylate.

Softcream remover

The texture of the Soft Cream Remover is between gel and hard cream remover, which is better than gel type remover due to the higher viscosity. In addition, the product is low on irritation and smell, and also well spreadable that removes easier.

Caution

Our extension gule should be stocked in temperature around 2℃~10℃.Humidity is very important as well,humidity lower than 60% can help the glue last up to 18 month.
