100% SATISFACTION GUARANTEED

We guarantee that you will love our products. Our brushes are made with the softest bristles! We strive to make the best cosmetics applicators at the most affordable prices for our customers!

BR - IDV - 001 **Big powder brush** Synthetic hair

This soft, domed fluffy brush is the perfect tool for a light dusting of finishing powder to lock in your foundation and give the skin a matte finish. Use it with loose or pressed powder to evenly distribute powder with no caking.

BR - IDV - 002 **Flat top kabuki brush** Synthetic hair

This flat, densely packed brush buffs foundation into the skin for a flawless, airbrushed finish.

BR - IDV - 003 **Small powder, blushes, bronzing brush** Goat hair

Fluffy, domed brush for a diffused, evenly dispersed application of powder products. Use it for a soft sweep of blush or a light application of powder in targeted areas.

BR - IDV - 004 **Powder brush** Goat hair

This soft, domed fluffy brush is the perfect tool for a light dusting of finishing powder to lock in your foundation and give the skin a matte finish. Use it with loose or pressed powder to evenly distribute powder with no caking.

BR - IDV - 005 **Blush brush** Goat hair

This rounded, slightly fanned-out brush is an excellent choice for that one brush that can do it all – powder, blush and bronzer. The soft, synthetic bristles will apply product evenly and the pinched base lets you angle the brush for versatility.

BR - IDV - 006 **Angled Contour brush** Synthetic hair

Dense, angled buffer that works product into the skin and reaches easily into the contours of the face to create an even, flawless canvas for makeup.

BR - IDV - 007 **Tapered Face brush** Goat hair

This rounded, tapered brush places powder precisely while leaving a diffused finish that is flawless and never cakey. Reach for it when applying multiple powders to different areas of the face.

BR - IDV - 008 **Angled flat top kabuki brush** Pony hair

Dense, angled buffer that works product into the skin and reaches easily into the contours of the face to create an even, flawless canvas for makeup.

BR - IDV - 009 **Round buffer** Synthetic hair

This densely packed, rounded buffer applies cream, liquid and powder foundation in circular motions for seamless blending and to create an even canvas.

BR - IDV - 010 **Angled blush brush** Goat hair

This beautifully Angled Blush brush has a flexible head designed to fit the contours of the face for flawless coverage.

BR - IDV - 011 **Round Contour brush** Goat hair

Perfectly domed round brush for diffused and evenly applied contour right in the hollows of the cheek. Also versatile enough for powder and blush.

BR - IDV - 012 **Precision tapered brush** Synthetic hair

Dense brush with a round, tapered tip that lets you tap in concealer and place product precisely in smaller areas such as the under-eye and around the nose.

BR - IDV - 013 **Liquid foundation brush** Synthetic hair

This flat, dense foundation paint brush lays down creams and liquids for full, evenly applied coverage. It applies primers, liquids and emollient products.

BR - IDV - 014 **Big eye shadow brush** Goat hair

The rounded shape of this brush allows you to pack shadows and pigments on the lid with concentrated control.

BR - IDV - 015 **Small tapered blending brush** Goat hair

Slender, tapered blending brush with a slightly pointed tip for precise placement. Perfect for lightly blending a cut crease look.

BR - IDV - 016 **Lash and brow brush** Synthetic hair

A great Lash and brow brush is an essential tool for shaping and grooming brows into perfect arches that blend seamlessly with your natural hair. The firm bristles of this brush will create hair-like strokes and put everything in place.

BR - IDV - 017 **Tapered blending brush** Goat hair

This fluffy, domed blending brush has a pinched ferrule and a tapered tip, giving it the versatility to diffuse color in the crease and create stronger pigment when used on the flat side. It's an essential tool to seamlessly blend multiple crease colors.

BR - IDV - 018 **Eye shadow brush** Sable hair

The perfect shape and density to pack shadow on your lid for a beautiful and controlled application.

BR - IDV - 019 **Small fan brush** Raccoon hair

This sleek fan brush will place a perfect sweep of highlight just where you want it, giving you even, diffused color that builds up from a subtle glow to a gleam that can be picked up by satellite. It also diffuses harsh lines and dusts off excess powder.

BR - IDV - 020 **Medium Angled Shading brush** Pony hair

The bristles on our Angle Blender/Shadow brush are soft yet angled to create more defined lines in the outer corners.

BR - IDV - 021 **Shadow brush** Goat hair

Soft and dense bristles apply shadow on the lid with ease making this a must in any makeup kit.

BR - IDV - 022 **Small oval shadow** Pony hair

This luxuriously Small Oval Shadow brush allows you to create a detailed lid. A go-to for packing multiple colors on a small lid area.

BR - IDV - 023 **Eye shading brush** Goat hair

This fluffy, domed blending brush has a pinched ferrule and a tapered tip, giving it the versatility to diffuse color in the crease and create stronger pigment when used on the flat side. It's an essential tool to seamlessly blend multiple crease colors.

BR - IDV - 024 **Blending brush** Goat hair

This brush applies defined highlight with a slender, tapered shape for controlled application.

BR - IDV - 025 **Angled Eye Liner Brush** Synthetic hair

This razor fine, angled brush lets you create bold lines with precise strokes for the perfect winged liner. The thin, firm head lets gel and cream liners glide onto the skin for artfully drawn lines that make eyeliner a snap.

BR - IDV - 026 **Wide Shader brush** Goat hair

The perfect shape and density to pack shadow on your lid for a beautiful and controlled application.

BR - IDV - 027 **Liner brush** Synthetic hair

Master the line arts with this firm, fine-tipped brush for precise, easy-to-apply eyeliner.

BR - IDV - 028 **Lip brush/small eyeliner** Synthetic hair

This flat, slender lip brush has longer bristles and a defined tip to softly trace the curves of the lips and place color without feathering or bleeding.

BR - IDV - 029 **Flat Definer brush** Sable hair

Blur your imperfections with our flat, rounded concealer brush. Ideal for blurring your blemishes or concealing dark circles. Professional quality for an ultra blended finish.

BR - IDV - 030 **Medium eye shadow brush** Sable hair

The perfect shape and density to pack shadow on your lid for a beautiful and controlled application.

BR - IDV - 031 **Small eyeshadow brush** Sable hair

The perfect shape and density to pack shadow on your lid for a beautiful and controlled application.

BR - IDV - 032 **Round smoky brush** Pony hair

A short, dense bullet-headed natural brush that's perfect for packing color into the crease or outer "V", and can also be used to buff out the lower lash line.

BR - IDV - 033 **Crease brush** Goat hair

Crease brush that tapers to a defined point for targeted placement that still gives a soft, diffused look. Excellent tool for looks involving multiple crease colors.

BR - IDV - 034 **Detail brush** Pony hair

This short, rounded brush is perfect for detailed work and precise placement of color. Use it for looks involving multiple lid colors and buffing out the lower lash line.

BR - IDV - 035 **Lip brush** Synthetic hair

This tiny, defined brush gives you color just where you want it in places like the inner and outer corners of the eyes. It's also great as a lip brush.

BR - IDV - 036 **Eyeliner brush** Sable hair

Master the line arts with this firm, fine-tipped brush for precise, easy-to-apply eyeliner.

BR - IDV - 037 **Eye pencil brush** Synthetic hair

A short, stiff brush that tapers to a fine pencil point. Perfect for stamping color into the outer "V" of the eye or creating defined cut crease looks.

BR - IDV - 038 **Eyebrow brush** Raccoon hair

This razor-fine, angled brush lets you create bold lines with precise strokes for the perfect winged liner. The thin, firm head lets gel and cream liners glide onto the skin for artfully drawn lines that make eyeliner a snap.

BR - IDV - 039 **Concealer brush** Synthetic hair

This round detail brush that lets you pat down concealer on the tiniest areas, blurring imperfections and blending seamlessly into the rest of your makeup.

BR - IDV - 040 **Eye pencil brush** Synthetic hair

This tiny, defined brush gives you color just where you want it in places like the inner and outer corners of the eyes. It's also great as a tip brush.

BR - IDV - 041 **Big fan brush** Synthetic hair

This plush, luxurious, oversized fan is a perfect tool for a diffused sweep of powder over the cheekbones and across the hair and jaw lines. Use it for an all-over glow with your favorite highlight or to blend out harsh lines and over-applied product.

BR - IDV - 042 **Powder brush** Synthetic hair

This soft, domed fluffy brush is the perfect tool for a light dusting of finishing powder to lock in your foundation and give the skin a matte finish. Use it with loose or pressed powder to evenly distribute powder with no caking.

BR - IDV - 043 **Foundation brush** Synthetic hair

This flat, dense foundation paint brush lays down creams and liquids for full, evenly applied coverage. It applies primers, liquids and emollient products.

BR - IDV - 044 **Flat top brush** Synthetic hair

Stipple your foundation to an airbrushed finish with this full, soft brush. The bristles glide easily over the skin and disperse product evenly, leaving a flawless finish that is still skin-like and natural.

BR - IDV - 045 **Blush brush** Synthetic hair

This beautifully Angled Blush brush has a flexible head designed to fit the contours of the face for flawless coverage.

BR - IDV - 046 **Shadow brush** Synthetic hair

The rounded shape of this brush allows you to pack shadows and pigments on the lid with concentrated control.

BR - IDV - 047 **Tapered brush** Synthetic hair

Slender, tapered brush that applies highlight precisely while diffusing lines and blending seamlessly with the rest of makeup.

BR - IDV - 048 **Tapered brush** Synthetic hair

Slender, tapered brush that applies highlight precisely while diffusing lines and blending seamlessly with the rest of makeup.

BR - IDV - 049 **Small shading brush** Synthetic hair

This short, rounded brush is perfect for detailed work and precise placement of color. Use it for looks involving multiple lid colors and buffing out the lower lash line.

BR - IDV - 054 **Powder brush** Synthetic hair

This soft, domed fluffy brush is the perfect tool for a light dusting of finishing powder to lock in your foundation and give the skin a matte finish. Use it with loose or pressed powder to evenly distribute powder with no caking.

BR - IDV - 055 **Blush brush** Synthetic hair

Fluffy, domed brush for a diffused, evenly dispersed application of powder products. Use it for a soft sweep of blush or a light application of powder in targeted areas.

BR - IDV - 050 **Eye shading brush** Goat hair

This fluffy, domed blending brush has a pinched ferrule and a tapered tip, giving it the versatility to diffuse color in the crease and create stronger pigment when used on the flat side. It's an essential tool to seamlessly blend multiple crease colors.

BR - IDV - 051 **Blush brush** Synthetic hair

Bristles come together to a perfect point for the ultimate precision. Our Tapered Powder/Blush brush is the perfect shape for buffing out your blush, blending your concealer, and setting your eye makeup.

BR - IDV - 056 **Duo Fiber brush** Synthetic hair

Stipple your foundation to an airbrushed finish with this full, soft brush. The bristles glide easily over the skin and disperse product evenly, leaving a flawless finish that is still skin-like and natural.

BR - IDV - 057 **Big tapered brush** Synthetic hair

Bristles come together to a perfect point for the ultimate precision. Our Tapered Powder/Blush brush is the perfect shape for buffing out your blush, blending your concealer, and setting your eye makeup.

BR - IDV - 052 **Powder brush** Synthetic hair

This flat, densely packed brush buffs foundation into the skin for a flawless airbrushed finish.

BR - IDV - 053 **Duo Fiber brush** Synthetic hair

Stipple your foundation to an airbrushed finish with this full, soft brush. The bristles glide easily over the skin and disperse product evenly, leaving a flawless finish that is still skin-like and natural.

BR - IDV - 058 **Foundation brush** Synthetic hair

This flat, dense foundation paint brush lays down creams and liquids for full, evenly applied coverage. It applies primers, liquids and emollient products.

BR - IDV - 059 **Angled blush brush** Synthetic hair

This beautifully Angled Blush brush has a flexible head designed to fit the contours of the face for flawless coverage.

BR - IDV - 060 **Shading brush** Synthetic hair

The rounded shape of this brush allows you to pack shadows and pigments on the lid with concentrated control.

BR - IDV - 061 **Brow brush** Synthetic hair

This razor-line, angled brush lets you create bold lines with precise strokes for the perfect winged liner. The thin, firm head lets gel and cream liners glide onto the skin for artfully drawn lines that make eyeliner a snap.

BR - IDV - 062 **Blending brush** Synthetic hair

This fluffy, domed blending brush has a pinched ferrule and a tapered tip, giving it the versatility to diffuse color in the crease and create stronger pigment when used on the flat side. It's an essential tool to seamlessly blend multiple crease colors.

BR - IDV - 063 **Angled shadow brush** Synthetic hair

The bristles on our Angle Blender/Shadow brush are soft yet angled to create more defined lines in the outer corners.

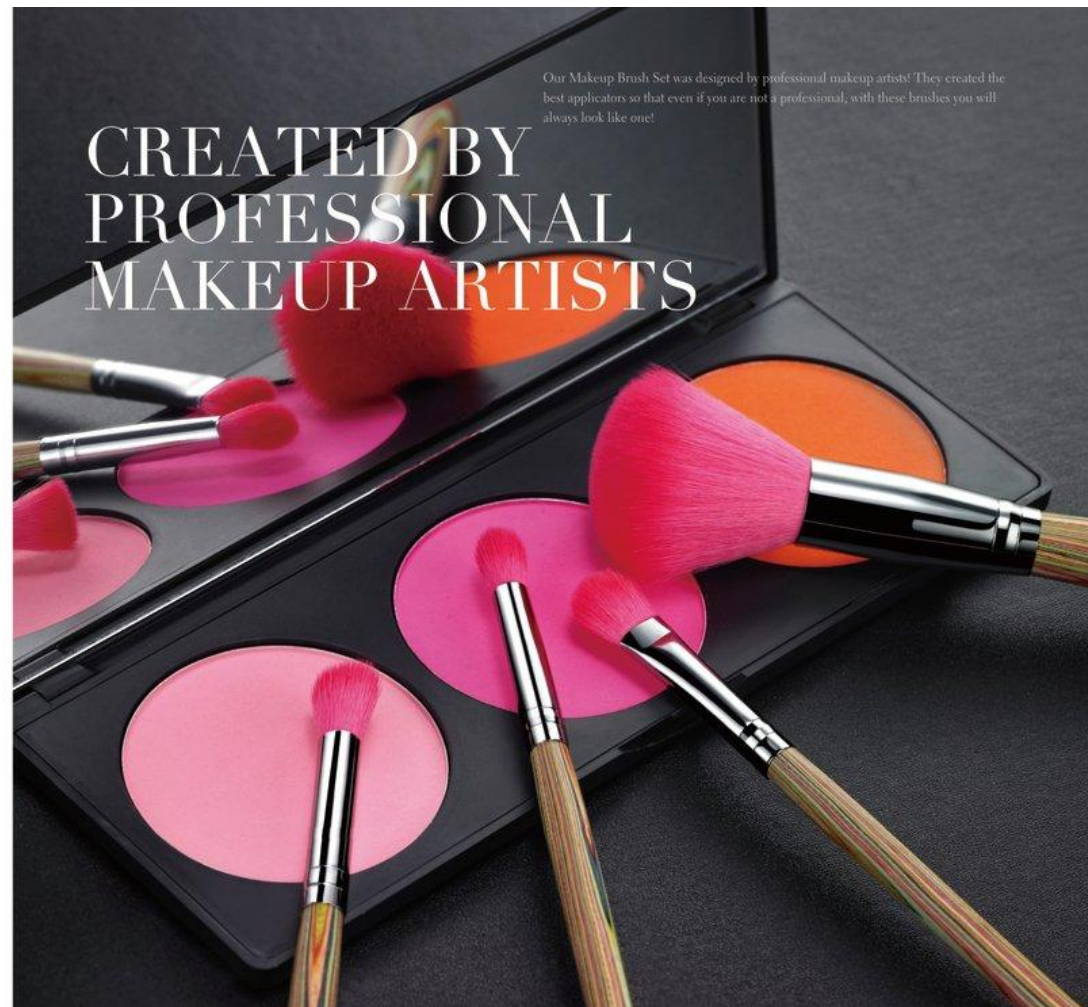

BR - IDV - 064 **Blending brush** Synthetic hair

This fluffy, domed blending brush has a pinched ferrule and a tapered tip, giving it the versatility to diffuse color in the crease and create stronger pigment when used on the flat side. It's an essential tool to seamlessly blend multiple crease colors.

BR - IDV - 065 **Lip brush** Synthetic hair

This flat, slender lip brush has longer bristles and a defined tip to softly trace the curves of the lips and place color without feathering or bleeding.
