POWERFUL ROTARY MOTOR

Stronger Motor

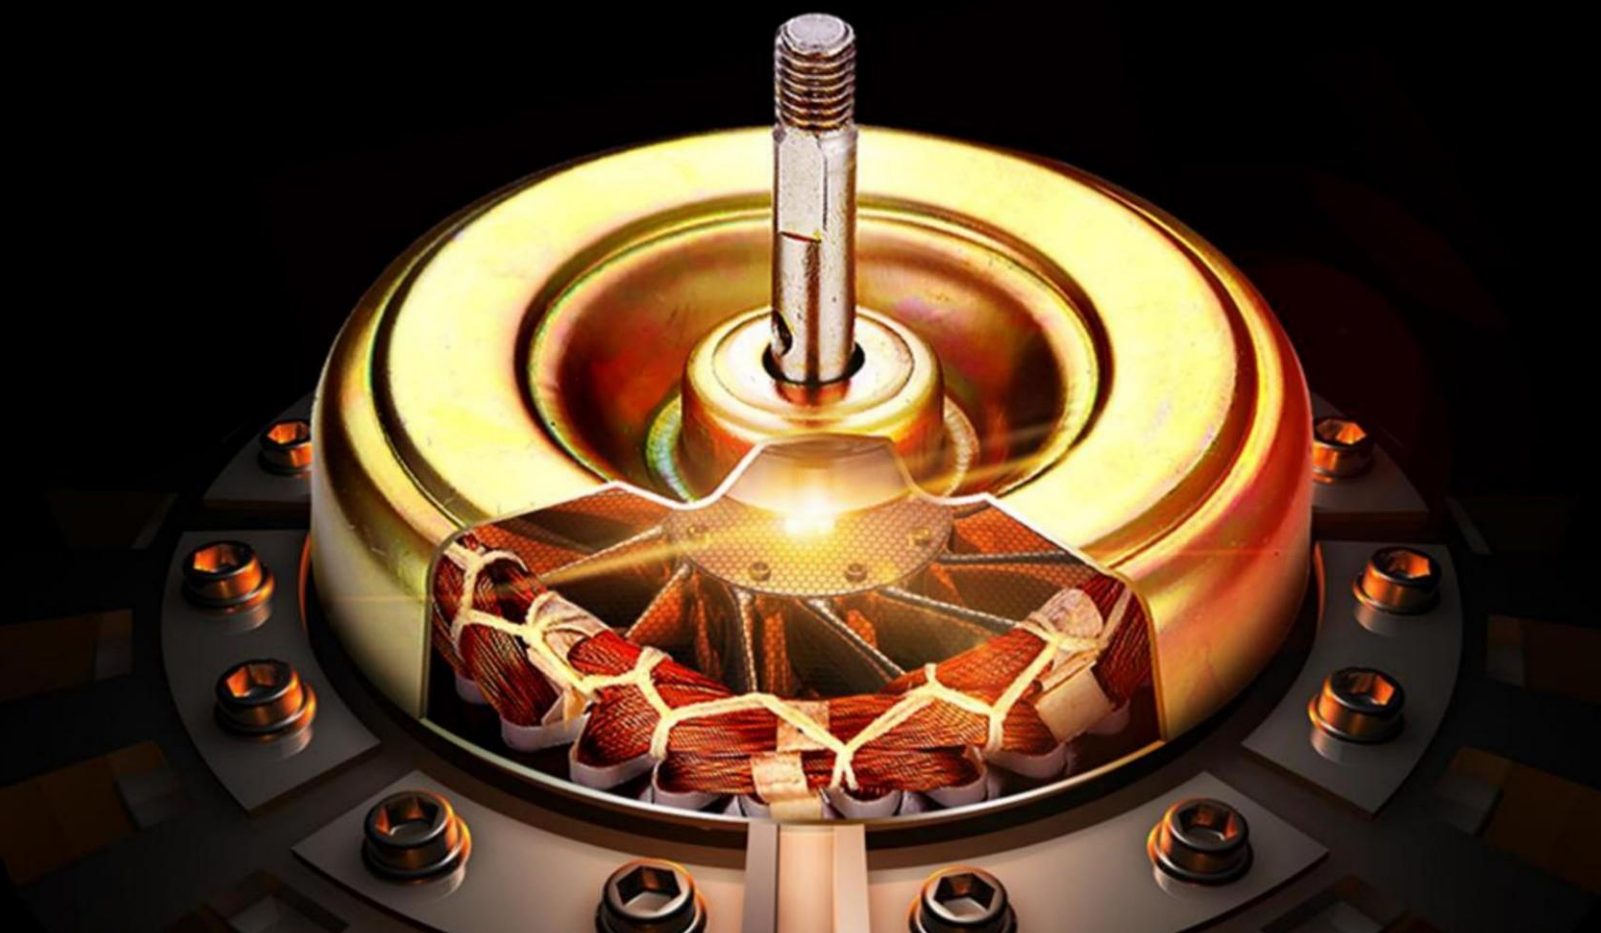

Won't bog down even on the thickest of hair textures

Rotary Motor

Offers a balance between power, speed, size and weight, making them perfect for heavy-duty cutting

5000-7000 RPM

5 variable speeds available

ORATE - 303

Titanium coated steel fixed blades
Nano ceramic moving blades

Model	OHC-303
Color	black/white
Run time	8h
Battery	3200 mAh
Motor	Rotary 6200 RPM
Cutting length	0.8-2 mm
Speed	Single speed
Battery status	LED

Size (mm) : 178x45x47

Accessories : Oil, cleaning brush, 2 attachment combs (3/6mm , 9/12mm)

Water proof : Cutting head can be detached and washed

Weight : 220g

ORATE - 363

Titanium steel fixed blades
Nano ceramic moving blades

Model	OHC-363
Color	Black/white
Run time	8h
Battery	3200 mAh
Motor	Rotary, 5000-7000 RPM
Cutting length	0.8-2mm
Speed	3-speed
Battery status	LED

Size (mm) : 178x45x47

Accessories : Oil, cleaning brush, 2 attachment combs (3/6mm , 9/12mm)

Water proof : Cutting head can be detached and washed

Weight : 225g

ORATE - 365

Steel fixed blades
Titanium ceramic moving blades

Model	OHC-365
Color	Black/white
Run time	8h
Battery	3200 mAh
Motor	Rotary, 5000-7000 RPM
Cutting length	0.2-8mm
Speed	5-speed
Battery status	LCD

Size (mm) : 178x45x47

Accessories : Oil, cleaning brush, 2 attachment combs (3/6mm , 9/12mm)

Water proof : Cutting head can be detached and washed

Weight : 230g

ORATE - 383

Titanium steel fixed blades
Nano ceramic moving blades

Model	OHC-383
Color	black/white
Run time	8h
Battery	3200 mAh
Motor	Rotary, 5000-7000 RPM
Cutting length	0.8-2 mm
Speed	3-speed
Battery status	LED

Size (mm) : 178x45x47

Accessories : Oil, cleaning brush, 2 attachment combs (3/6mm , 9/12mm)

Water proof : Cutting head can be detached and washed

Weight : 228g

ORATE - 385

Steel fixed blades
Titanium ceramic moving blades

Model	OHC-385
Color	Black/white
Run time	8h
Battery	3200 mAh
Motor	Rotary, 5000-7000 RPM
Cutting length	0.8-2mm
Speed	5-speed
Battery status	LCD

Size (mm) : 178x45x47

Accessories : Oil, cleaning brush, 2 attachment combs (3/6mm , 9/12mm)

Water proof : Cutting head can be detached and washed

Weight : 230g

Simple and sleek style

Convenient Touch control

Intelligent touch sensitive control

Convenient magnetic USB charging

1400mAh Li-Ion battery for 5-hour run time

ORATE - 265

Zero Gap Stainless Steel Blades

Model	OHC-265
Color	Black
Run-time	5h
Battery	Li-Ion1400 mAh
Motor	Rotary,7000 RPM,
Blade	Detachable T blade
Battery indicator	LED light

Size (mm) : 165x39x43

Accessories : Oil, cleaning brush, 2 attachment combs (3/6mm , 9/12mm)

Water proof : Cutting head can be detached and washed

Weight : 225g

Orate sterilizer - The **FIRST** in the industry

Clipper Sterilizer

Patent No. : 201820805638.6

Sanitizes using Ultraviolet Rays, kills more than 98.5% bacteria within 1 minute. UV-C light is effective, environmentally friendly, and chemical free.

Controlled by an Infra Red sensor, Automatically activating and deactivating, suitable for all types of clippers,

Intelligent voice assistance: Starting to sanitize, Charging finished, Automatically switching off

2 hour fast charging for sanitizing at least 200 times

Help the barber shop stand apart from the competitors by avoiding possible cross infections from clipper bacteria

To Make Hair Cutting More Hygienic

Product Info

Model	K 5	Rated Power	7 W
Input voltage	100-240 V	Output voltage	5 V
Charging time	2 hours	Run time	200 minutes
Sterilizing duration	1 minute	Efficiency	≥ 98.5 %
Controlled by	IR sensor	Size	83*86*151mm

A Leading Clipper
Manufacturer for
Professional Barbers
