- 软管直径固定, 长度可适度伸减。
Tube diameter is constant, and the length can be adjusted.
- 以上容积表仅供参考, 可根据客户要求在一定范围内调整。
The specification is only for reference, custom size is available.
- 上表所列表长是封尾后测量结果, 如客户自行封装, 管长需增长5-10mm。
The referenced length is the testing result after sealing. If customers seal on their own, the length should increase 5-10mm.
