

# Dongguan Washine Packaging Technology Co.,Ltd

(D&H Packaging International (HK) Co., Ltd )

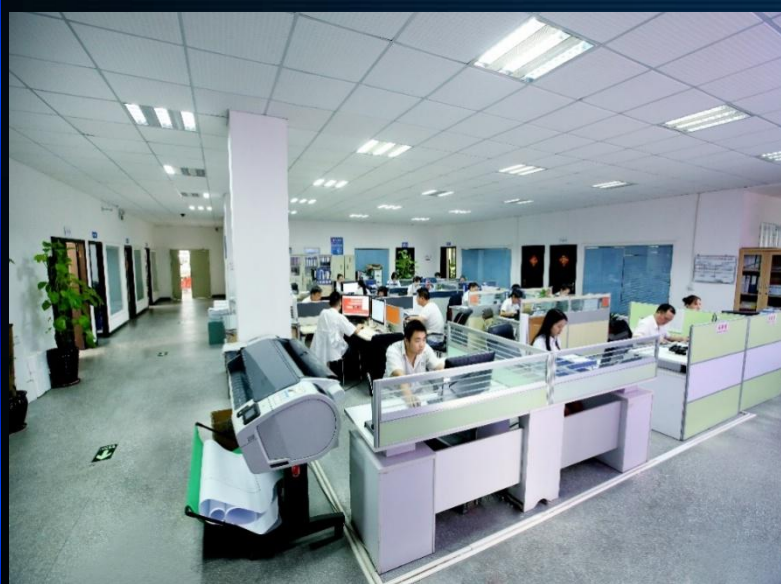

## ABOUT US

Dongguan Washine Packaging Technology Co., Ltd, founded in 2008, is a modern printing and manufacturing company integrating manufacturing, sales and logistics all in one. Washine is specialized in the manufacture of paper boxes, paper bags, corrugated boxes, stickers, labels etc. As an outstanding manufacturer of paper products in south China, Washine has an annual capacity to produce 20 million color boxes, 6 million handmade boxes, 120 million cards, and develop some 10,000 samples, which are widely used as packages for cosmetics, toys, electronic and gifts products.

Adhering to the principle of “customer as the top priority and quality first” in the pursuit of common benefit, Washine always has taken quality as the lifeline of the enterprise and has carried out continual innovation to meet the customer’s requirements. Washine has established a modernized and standardized quality management system, making quality and price as the core competitive elements of the company. With stringent, scientific management, first class product quality, careful and thoughtful pre-sale and after - sale service, Washine endeavors to make premium products for the customer. Aiming at long term development and trying to create value for the customer. On the principle of integrity and with support from the customers at large, Washine has been growing tremendously. At present, Washine owns some 20 sets of hi-tech equipment and a full line of colorimeter, rupture strength tester, vibration tester, and photometer, etc.
