## **EXTRA VIRGIN OLIVE OIL**

### **MAKEUP REMOVER SOAP**

#### DESCRIPTION

The makeup remover soap with extra virgin olive oil and tea tree essential oil exploits the benefic properties of extra virgin olive oil that dissolves waterproof makeup, removing any trace of makeup from the epidermis. In addition, olive oil is rich in vitamin E, also called tocopherol, a compound with a high antioxidant power, that makes the skin softer and more elastic. Therefore, cleansing with this oil allows us, not only to clean the skin well, but also to exploit its emollient and elasticizing properties. In fact, olive oil is usually well tolerated by sensitive cutis and most important it is not aggressive in the eye and labial areas. The formulation is enriched with the essential oil of tea tree, which is also good in reducing skin inflammation, caused by acne and pimples.
